6th Annual Hawai´i Conference on Language Access

August 7-8, 2013

East-West Center

Ola Pono

Language Access in the Community Health Setting

Conference Objectives:

Understand the need and requirements for linguistic accessibility in the healthcare setting.

Learn about recent developments and best practices in medical/health interpretation/translation.

Develop networking opportunities for language access practitioners.

Sponsored by the Office of Language Access, State of Hawai´i

Phone (808) 586-8730
