WIA BULLETIN No. 02-10

TO: WIA Partners

SUBJECT: 2010 Lower Living Standard Income Level Guidelines

PURPOSE

The purpose of this bulletin is to transmit the 2010 Lower Living Standard Income Level (LLSIL) Guidelines.

BACKGROUND

The U.S. Department of Labor (USDOL) revises the LLSIL Guidelines annually to reflect cost of living increases. The revision for 2010 was published in the Federal Register, Vol. 75, No. 88, on Friday, May 7, 2010.

POLICY

These LLSIL Guidelines supersede those issued under WIA No. 05-09. The poverty guidelines issued under WIA Bulletin No. 03-09 are to be used in determining an applicant's low income status as defined under WIA Section 101(25).

The 225% LLSIL Guidelines are to be used in determining an employed individual's level of self-sufficiency, as required under WIA Section Final Rule, 663.230. Please refer to WIA Bulletin No. 12-01 for the State's policy regarding the determination of self-sufficiency.

PROCEDURES

Program operators are to begin using the revised LLSIL Guidelines immediately.

INQUIRIES

Questions regarding this bulletin may be addressed to Ms. Rae Ordinado, Workforce Development Specialist, at (808) 586-9057.

DARWIN L.D. CHING
