

JUL 29 2014

Mr. Dwight Y. Takamine  
Director  
Department of Labor & Industrial Relations  
830 Punchbowl St. Room 321  
Honolulu, HI 96813

Dear Mr. Takamine:

This letter provides approval of Hawaii's Wagner-Peyser (W-P) Agricultural Outreach Plan (AOP) for Program Year (PY) 2014. The Employment and Training Administration (ETA) received the State's AOP on June 27, 2014.

Training and Employment Guidance Letter (TEGL) No. 13-13, Instructions and Planning Guidance for the Agricultural Outreach Plans (AOP) for Program Year 2014 and the Designation of Significant Migrant and Seasonal Farm Worker (MSFW) States, issued on February 25, 2014, provided guidance for states to submit their AOP for PY 2014. We appreciate the State's responsiveness to this guidance.

The San Francisco Regional Office reviewed the State's AOP in accordance with W-P regulations set forth at 20 C.F.R. (Code of Federal Regulations) 653.107 and 653.10, TEGL No. 13-13, and the State Integrated Workforce Plan Requirements for Workforce Investment Act Title I/Wagner-Peyser Act and Department of Labor Programs. This letter constitutes a written determination that ETA is approving Hawaii's annual W-P AOP for the period July 1, 2014 through June 30, 2015. This approval constitutes a modification to the State Integrated Workforce Plan, and the AOP must be incorporated into the State's official copy of its State Integrated Workforce Plan and made available to the public.

We look forward to working together as you implement your AOP for PY 2014. We are available to provide technical assistance. If you have any questions related to the AOP, please contact Krister Engdahl, your Regional Monitor Advocate, at (415) 625-7960 or [engdahl.krister@dol.gov](mailto:engdahl.krister@dol.gov).

Sincerely,

A handwritten signature in blue ink, appearing to read "Hamilton".
