## 1) SUMMARY

Maui County continues to work on transition to the new Workforce Innovation and Opportunity Act (WIOA) through the following activities:

- Completing the RFP and awarding the contract for youth services to the University of Hawaii Maui College (UHMC).
- Gathering potential candidates for the MCWIB to address new board criteria under WIOA.
- Request For Proposals (RFP) for the One Stop Operator is in progress.

In addition, the County suffered a blow to its economy and agriculture industry with the announcement of the closure of HC&S sugar operations, which will result in the massive layoff of nearly seven hundred employees. A task force was formed by Mayor Arakawa to assist in the transition of the dislocated sugar workers. The task force, led by Managing Director Keith Regan, is comprised of a diverse group of legislators, HC&S and union representatives, State and County agency representatives, Maui Chamber of Commerce, UHMC, members of the nonprofit and business sectors.

Furthermore, the County is expected to deal with more massive layoffs as Makena Beach and Golf just announced the closure of its resort effective July 1, 2016. The closure will result in the layoff of 385 employees as announced.
