The codes in the Workers' Compensation Supplemental Medical Fee Schedule are obtained from the American Medical Association, the American Dental Association or the State Department of Labor and Industrial Relations.

The five character codes included in the Workers' Compensation Supplemental Medical Fee Schedule are obtained from 2017 Current Procedural Terminology (CPT®), copyright 2016 by the American Medical Association (AMA). CPT is developed by the AMA as a listing of descriptive terms and five character identifying codes and modifiers for reporting medical services and procedures performed by physicians.

The AMA disclaims responsibility for any consequences or liability attributable or related to any use, nonuse or interpretation of information contained in the Workers' Compensation Supplemental Medical Fee Schedule. Fee schedules, relative value units, conversion factors and/or related components are not assigned by the AMA, are not part of CPT, and the AMA is not recommending their use. The AMA does not directly or indirectly practice medicine or dispense medical services. The AMA assumes no liability for data contained or not contained herein. Bundled Services: Certain codes, such as telephone calls, are considered by the Health Care Financing Administration (HCFA) to be “bundled” services. Bundled services are not payable, nor should they be billed, when performed incident to or in conjunction with another service even if the other service is performed on a different day. When services that are designated as bundled are denied, the physician may not collect from the patient.
