SUBJECT: Universal Standardized Workers' Compensation Treatment Plan Form
for Workers' Compensation Health Care Providers

The Department of Labor and Industrial Relations (DLIR) together with interested stakeholders in the workers' compensation (WC) system have developed the Hawaii Workers' Compensation Treatment Plan Form that is posted online at: <https://labor.hawaii.gov/dcd/files/2021/05/Treatment-Plan.pdf>. This universal standardized form can be used by medical providers effective immediately to submit a WC Treatment Plan.

The DLIR highly encourages and asks medical providers to use the Hawaii Workers' Compensation Treatment Plan Form, which is intended to focus on essential and meaningful information to the stakeholders who receive Treatment Plans.
