Agenda – Approval of Feb 21st, 2019 minutes

Move to Approve – Lily Chu

Second – Jim Newberry

Information from HIOSH – Norman Au

- Staffing – 1 new admin; 2 new Health Employees; 1 Safety Inspectors. 1 Offer Safety Inspector
- No New Fatality
- New Penalty and New standard in effective
- Participated stand downs
- Inspection 385

New Business:

Thank you to ASSP – Wonderful Program and Invitation

Jim Newberry – Alan – Outreach on Silica Symposium, spread words on update, offer services – time/wait list, updated – Only 2 consultants available.

Comment: Jim Newberry – New Orleand ASSP – June 2019

- 1 - Electrician – Drone Presentation – HIOSH Drone protocol/FAA involvement/ruling
Provide more information with clarification
2. HMOA Board – might be dissolve – confirmation, update, etc. Heard twice today

Norman Respond – Drone – FAA Courses – Three certified pilots

Difference between – Commercial/Recreational Drone – Certainly need more detail information for the employer. Honolulu Fire Department – They have a Drone Program working with other Drone Entity

Joaquin Diaz - HMOAB. Hawaii Crane - Board of Hoisting/Cranes – Series of Questions they had to answer – Necessity of the Board. If the Board goes away, maintain something
