FINDINGS OF FACT, CONCLUSIONS OF  
LAW, AND ORDER

On July 20, 1979, the University of Hawaii Board of Regents (hereafter BOR) petitioned the Hawaii Public Employment Relations Board (hereafter Board) for the inclusion of one presently excluded position in Unit 8 (Personnel of the University of Hawaii and the community college system, other than faculty).

Based upon the Petition, the Affidavit of the University's Vice President for Administration Harold S. Masumoto, and the position description attached to the aforementioned petition, this Board makes the following:

FINDINGS OF FACT

The BOR is the public employer, under Subsection 89-2(9), HRS, of the employees in bargaining unit 8.

The Hawaii Government Employees' Association (hereafter HGEA) is the certified exclusive representative of all employees in Unit 8.

The HGEA has been advised of this petition and has not objected to the inclusion of the subject position. All parties waive the right to a hearing.

The position in question is Position No. 80509, University of Hawaii Educational Specialist II.

The duties and responsibilities of the position are stated in the current position description which has been certified as accurate by the supervisor of the position.

CONCLUSION OF LAW

By the evidence presented, the BOR has demonstrated that the proposed unit change is proper and consistent with Section 89-6, HRS.

ORDER

Position No. 80509 is included in Unit 8.

The mechanics of the inclusion shall be worked out between the parties to this case, provided that the effective date shall not be earlier than the date of this decision.
