ORDER GRANTING RESPONDENT MURRAYAIR, LIMITED'S
EX PARTE MOTION FOR EXTENSION OF TIME TO RESPOND

On March 7, 1994, Respondent MURRAYAIR, LIMITED, by and through its counsel, filed an ex parte motion for extension of time to respond to the unfair labor practice complaint filed with the Hawaii Labor Relations Board (Board) in Case No. 94-3(CE). Counsel for Respondent indicated that an extension is necessary in order for her to fully represent her client.

For good cause shown, the Board hereby grants Respondent's ex parte motion for extension of time to respond. The answer in this matter shall be filed with the Board on or before March 11, 1994.

DATED: Honolulu, Hawaii, March 9, 1994.
