ORDER DISMISSING CASE

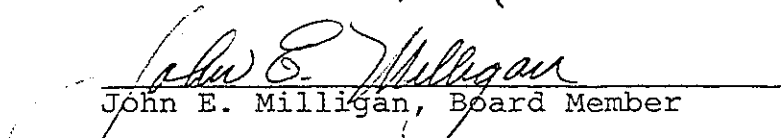

On November 15, 1976, petitioner University of Hawaii Professional Assembly (hereafter UHPA) filed the above-captioned prohibited practice charge against the University of Hawaii Board of Regents. An answer to the complaint was filed on November 30, 1976.

At the outset of a February 16, 1977 hearing on this matter, UHPA moved to withdraw its prohibited practice charge because the parties had resolved their dispute. Accordingly, Case No. CE-07-32 is dismissed with prejudice.
