ORDER GRANTING INTERVENOR'S MOTION FOR
EXTENSION OF TIME TO FILE POST-HEARING BRIEF

On May 10, 1995, Intervenor UNITED PUBLIC WORKERS, AFSCME, LOCAL 646, AFL-CIO (UPW), by and through its attorney, filed a motion for an extension of time to file his post-hearing brief in this matter with the Hawaii Labor Relations Board (Board). Counsel for UPW requested a 30-day extension from May 12, 1995 to file his brief. Counsel states in an affidavit attached to the motion that he needs an extension because he has not yet received the transcript in this case.

For good cause shown, the Board hereby grants Complainant's motion. Since the post-hearing briefs were scheduled to be filed simultaneously in this case, the deadline for filing post-hearing briefs in this matter is June 13, 1995.
