Case No. CE-07-38
Order No. 149

ORDER GRANTING MOTION FOR PARTICULARIZATION
OF THE PROHIBITED PRACTICE COMPLAINT

On October 18, 1977, the attorney for the respondents in the above-entitled case filed a motion for particularization of the charges against said respondents. Specifically, the respondents move that complainant clarify those portions of the complaints which state that:

"Certain portions of the policy may constitute elements of a position classification system. These portions do not violate 89-9(a), H.R.S." (Page 2a of Complaint.)

Respondents ask that complainant be required to file a statement specifying the portions of the policies adopted by the Board of Regents on July 14, 1977 alleged to be violative of Subsection 89-9(a), Hawaii Revised Statutes. The motion for particularization is granted.

Accordingly, this Board makes the following orders pursuant to Rule 3.05 of the Board's Rules of Practice and Procedure.

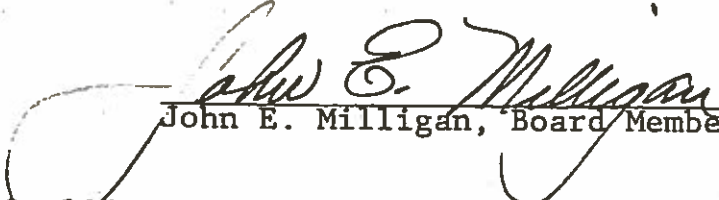

The Board directs the above-named complainant to serve upon the respondent one copy and file with the Board, with proof of service, the original and five (5) copies of the requested particularization of the complaint by 4:30 p.m. of the fifth working day after service of this order. If the complainant fails to timely file and serve the particularization, the Board shall dismiss the complaint.

The respondent is directed to serve upon the complainant one copy and file with the Board, with proof of service, the original and five copies of the answer by 4:30 p.m. of the fifth working day after service of the complainant's particularization. If the respondent fails to timely file and serve the answer, such a failure shall constitute an admission of the material facts alleged in the complaint and the particularization and a waiver of a hearing.
