Order No. 240

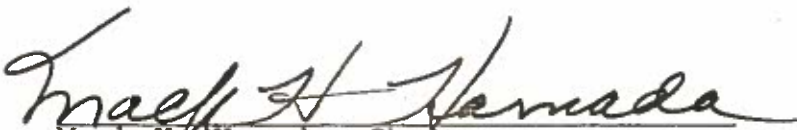

ORDER GRANTING INTERVENTION

On March 2, 1979, the Public Employees Management Association of Hawaii (hereafter PEMAH) petitioned to intervene in the above-referenced case. A hearing on said petition was held on March 16, 1979.

While PEMAH is not an employee organization under Chapter 89, Hawaii Revised Statutes, and while its interest in the proceedings is far less direct than that of the public employers and exclusive representatives who are parties herein, the Board, in its discretion, has decided to permit PEMAH to intervene because its views may be helpful to the proper and complete resolution of the issues before the

Board and because it does not appear that the intervention of PEMAH will hamper the Board's proceedings.
