ORDER GRANTING INTERVENTION

On July 2, 1980, the County of Kauai; Eduardo E. Malapit, Mayor of the County of Kauai; Roy K. Hiram, Chief of Police of the County of Kauai; and Herbert T. Doi, Director of Personnel Services of the County of Kauai (hereafter Petitioners) filed a petition to intervene in the above-referenced case.

On July 3, 1980, the City and County of Honolulu; Frank F. Fasi, Mayor of the City and County of Honolulu; Francis A. Keala, Chief of Police of the City and County of Honolulu; and Harry Boranian, Director of the Department of Civil Service of the City and County of Honolulu (hereafter Petitioners) also filed a petition to intervene in the above-referenced case.

At the prehearing conference held in this case on July 7, 1980, oral argument was heard on the foregoing petitions to intervene. In its discretion, the Board finds that all of the above-stated Petitioners have demonstrated that they have a sufficient interest in the proceedings to merit intervention. The Board further finds that while the participation of said petitioners in the proceedings will assist in the development of a complete and sound record, their participation will not broaden the issues. Accordingly, all of the foregoing petitions for intervention are granted.

In view of the intervention of the Petitioners, the Complainant is directed to submit to this Board within ten (10) days after receipt of this order the original and five (5) copies of an Amended Complaint pursuant to instructions given by the Board at the prehearing conference. Respondents shall have ten (10) days after receipt of the amended complaint to file with this Board the original and five (5) copies of their answer, with proof of service upon Complainant. If Respondents fail to timely file and serve an answer, such failure shall constitute an admission of the material facts alleged in the Amended Complaint and a waiver of a hearing. According to Board Rule 3.05(c), however, the Respondents may file a Motion for Particularization of the Amended Complaint within five (5) working days after service of said Complaint. The filing of such motion would extend the time for submission of an answer.

Furthermore, in light of all of the above-stated procedures, the hearing set for July 14, 1980, at the Hilo State Office Building is continued until an indefinite future date. The Board will send written notification of that date to the parties when the hearing has been rescheduled.
