ORDER GRANTING MOTION TO ALTER
OR AMEND DECISION NO. 178 AND ERRATA

On November 28, 1983, the BOARD OF REGENTS of the University of Hawaii [hereinafter referred to as BOR] filed with this Board a Motion to Alter/Amend Decision. The motion seeks to amend Decision No. 178, issued on November 16, 1983. The motion indicates that there is a misstatement in the Findings of Fact that the Assistant Library Specialist position is classified within the University of Hawaii at Manoa's Executive/Managerial Classification and Compensation Plan. The affidavit of Harold S. Masumoto, Vice President for Administration at the University of Hawaii [hereinafter referred to as UH], submitted in support of the motion states that his prior affidavit filed with the petition contained the misstatement regarding the classification. Mr. Masumoto further states that his prior affidavit should have provided that the position was retained in the faculty classification plan for the UH.

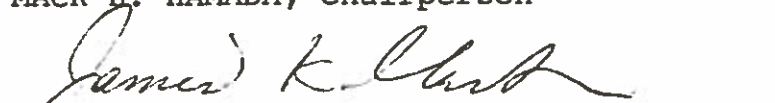

For good cause shown, the Board hereby grants BOR's motion. Decision No. 178 is amended to reflect that the Assistant Library Specialist position is classified in the faculty classification plan for the UH at Manoa. This

amendment does not affect the substance of Decision No. 178 which excludes the position from collective bargaining unit 7 because it is concerned with confidential matters affecting employee-employer relations.

DATED: Honolulu, Hawaii, December 5, 1983.
