ORDER

At the hearing held on January 3, 1991, the parties were unable to reach agreement as to whether the Employer should provide the above-named Petitioner with the telephone numbers of the employees listed in Exhibit A attached to the Agreement for Consent Election, along with their names and last known mailing addresses. After considering the arguments of counsel, the Board is not persuaded that the record supports an order requiring the Employer go beyond the requirements in Excelsior Underwear, Inc., 156 NLRB 1236, 61 LRRM 1217 (1966), by providing the employees' telephone numbers.

DATED: Honolulu, Hawaii, January 8, 1991.
