MINIMUM QUALIFICATION REQUIREMENTS

Applicants must meet all the requirements for the position they are seeking as of the date of the application, unless otherwise specified. Please note that unless specifically indicated, the required education and experience may not be gained concurrently.

Your possession of the required amount of experience will not in itself be accepted as proof of qualification for the position. Overall paid or unpaid experience must be of such scope and responsibility as to conclusively demonstrate that you have the ability to perform the duties of the position. Note: Your calculation of experience must be based on full-time, 40-hour work weeks. Part-time experience must be pro-rated. Example: Twelve (12) months of experience at 20 hours/week is equivalent to six (6) months of experience, not one (1) year. Also, hours worked in excess of 40 hours/week will not be credited. Example: Twelve (12) months of experience at 60 hours/week is equivalent to one (1) year of experience, not one and a half (1 ½) years.

To qualify, you must meet all of the following requirements:

BASIC EDUCATION REQUIREMENT:

Graduation from an accredited four-year college or university with a bachelor's degree.

Excess work experience as described under Specialized Experience, or any other responsible administrative, professional, or other analytical work experience which would provide knowledge, skills and abilities comparable to those acquired in four (4) years of successful study while completing a college or university curriculum leading to a baccalaureate degree may be substituted for education on a year-for-year basis. To be acceptable, the experience must have been of such scope, level and quality as to assure the possession of comparable knowledge, skills and abilities.

The education or experience background must also demonstrate the ability to write clear and comprehensive reports and other documents; read and interpret complex written material; and solve complex problems logically and systematically.

GENERAL EXPERIENCE REQUIREMENT for level V, IV, III and II

One-half (1/2) year of progressively responsible professional or other analytical work which involved fact-finding, analysis and evaluation to determine eligibility and/or compensability; the interpretation and application of relevant laws, rules and regulations; and dealing effectively with individuals to elicit information orally and in writing.

SPECIALIZED EXPERIENCE REQUIREMENT:

Level V : Three (3) years of specialized experience is required.

Level IV : Two (2) years of specialized experience is required.

Level III : One (1) year of specialized experience is required.

Level II : No specialized experience is required.

Specialized Experience: Knowledge and application of the Temporary Disability Insurance and/or Pre-paid Health Care laws, rules and regulations, which involved analyzing, explaining, applying and interpreting those laws, rules and regulations, and pertinent rulings, precedents, and related criteria.

Examples of acceptable specialized work experience include but are not limited to:

- Examining and approving or disapproving claims for government-mandated benefits and developing or reviewing employers' plans which may include self-developed plans and/or collective bargaining agreements providing such benefits; and/or
- Reviewing or developing health care plans concerned with ensuring their conformance with statutory requirements, as a regular work assignment; and/or the enforcement of both state and/or federal regulatory laws.

- Reviewing complex documentation for accuracy and completeness and which demonstrates the ability to understand and apply state and/or federal regulatory laws.
