SECTION 7 State Use of Funds

Eligible Entity Allocation (90 Percent Funds) [Section 675C(a) of the CSBG Act]

7.1. Formula:

Select the method (formula) that best describes the current practice for allocating CSBG funds to eligible entities.

Base + Formula

7.1a. Does the State statutory or regulatory authority specify the terms or formula for allocating the 90 percent funds among eligible entities? Yes No

7.2. Planned Allocation:

Specify the planned allocation of 90 percent funds to eligible entities, as described under Section 675C(a) of the CSBG Act.

The estimated allocations may be in dollars or percentages. For each eligible entity receiving funds, provide the Funding Amount in either dollars (columns 2 and 4) or percentage (columns 3 and 5) for the fiscal years covered by this plan.

Planned CSBG 90 Percent Funds

	CSBG Eligible Entity	Year One Funding Amount \$	Year One Funding Amount %	Year Two Funding Amount \$	Year Two Funding Amount %
1	Honolulu Community Action Program	\$1,939,870	0.00%	\$1,939,870	0.00%
2	Hawaii County Economic Opportunity Council	\$689,417	0.00%	\$689,417	0.00%
3	Maui Economic Opportunity	\$480,013	0.00%	\$480,013	0.00%
4	Kauai Economic Opportunity	\$271,923	0.00%	\$271,923	0.00%
Total		\$3,381,223	0.00%	\$3,381,223	0.00%

7.3. Distribution Process:

Describe the specific steps in the State's process for distributing 90 percent funds to the eligible entities and include the number of days each step is expected to take; include information about State legislative approval or other types of administrative approval (such as approval by a board or commission).

In July/August preceding the start of the FFY, the State sends a letter to each eligible entity with the estimated funding per the Base + Formula allocation for the upcoming FFY based on the total funding for the prior FFY. The eligible entities provide budgets and outcomes for their respective allocation in roughly 30 days, which are then used in their CSBG contracts with the State and executed prior to the start of the FFY. The contracts are reviewed by the State Attorney General prior to execution. Upon release of quarterly state awards by DHHS, the eligible entities are informed of their current available funds. Eligible entities request reimbursement for allowable expenditures by providing a payment request and expenditure report using Hawaii OCS's internal forms. The requests are checked for accuracy by the assigned program specialist and processed through the State system, which includes the Departments of Budget and Finance and Accounting and General Services. Checks for reimbursement are received by the eligible entity in a timely manner from the time of program specialist approval.

7.4. Distribution Timeframe:

Does the State plan to make funds available to eligible entities no later than 30 calendar days after OCS distributes the Federal award? Yes No

7.4a. If no, describe State procedures to ensure funds are made available to eligible entities consistently and without interruption.

Note: Item 7.4 is associated with State Accountability Measure 2Sa and may prepopulate the State's annual report form.

If this is the first year filling out the automated State Plan, skip the following question.

7.5. Performance Management Adjustment:

How is the State improving grant and/or contract administration procedures under this State Plan as compared to past plans? Any improvements should be based on analysis of past performance, and should consider feedback from eligible entities, OCS, and other sources, such as the public hearing. If the State is not making any improvements, provide further detail.

Note: This information is associated with State Accountability Measure 2Sb and may prepopulate the State's annual report form.

The State now sends letters to each eligible entity with details showing how the Base + Formula allocation was implemented and the distribution of the entirety of the funding. Hawaii OCS also issues closing memos to each eligible entity to confirm any carryover amount and specify what funds are available and when they will lapse.

Administrative Funds [Section 675C(b)(2) of the CSBG Act]

7.6. What amount of State CSBG funds does the State plan to allocate for administrative activities, under this State plan? The estimate may be in dollars or a percentage \$ %

7.7. How many State staff positions will be funded in whole or in part with CSBG funds under this State Plan? **8**

7.8. How many State Full Time Equivalents (FTEs) will be funded with CSBG funds under this State Plan? **2**

Remainder/Discretionary Funds [Section 675C(b) of the CSBG Act]

7.9. Does the State have remainder/discretionary funds? Yes No

If yes was selected, describe how the State plans to use remainder/discretionary funds in the table below.

Note: This response will link to the corresponding assurance, Item 14.2.

For each allowable use of remainder funds in the table below (rows a through h), enter the State's planned level of funding, if any, either in dollars or percentage, and provide a brief description. Activities funded under row a, training and technical assistance, do not require a description, as that is provided under section 8 of this State plan. Activities funded under rows b and c, are described under section 9, State Linkages and Communication, but a State may enter additional information in this table as well. The State must describe "innovative programs/activities by eligible entities or other neighborhood groups," under row f, even if the State does not allocate discretionary funds to this activity. This activity is required by section 676(b)(2) of the CSBG Act, assurance 14.2 If a funded activity fits under more than one category in the table, allocate the funds among the categories. For example, if the State provides funds under a contract with the State Community Action association to provide training and technical assistance to eligible entities and to create a statewide data system, the funds for that contract should be allocated appropriately between row a and row c. If allocation is not possible, the State may allocate the funds to the main category with which the activity is associated.

Note: This information is associated with State Accountability Measures 35a and may pre-populate the State's annual report form

Use of Remainder/Discretionary Funds(SeeSection 675C(b)(1) of the CSBG Act)

7.10. What types of organizations, if any, does the State plan to work with (by grant or contract using remainder/discretionary funds) to carry out some or all of the activities in table 7.9.(Check all that apply and narrative where applicable)

- CSBG eligible entities (if checked, include the expected number of CSBG eligible entities to receive funds) **4**
- Other community-based organizations
- State Community Action association
- Regional CSBG technical assistance provider(s)
- National technical assistance provider(s)
- Individual consultant(s)
- Tribes and Tribal Organizations
- Other
- None (the State will carry out activities directly)

Note: This response will link to the corresponding CSBG assurance, item 14.2.

If this is the first year filling out the automated State Plan, skip the following question.

7.11. Performance Management Adjustment:
How is the State adjusting the use of remainder/discretionary funds under this State Plan as compared to past plans? Any adjustment should be based on the State's analysis of past performance, and should consider feedback from eligible entities, OCS, and other sources, such as the public hearing. If the State is not making any adjustments, provide further detail.

Note: This information is associated with State Accountability Measures 35b, and may pre-populate the State's annual report form.

Hawaii OCS has increased the amount of discretionary funding that is allotted to the eligible entities based on the identified needs of the agencies and the changes in the CSBG program. Hawaii OCS has also put an increased focus and funding into identifying duplication of service to enable the eligible entities and the state to maximize other sources of funding.

CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart, F. Sections 76.630(c) and (d)(2) and 76.645 (a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central point is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

Certification Regarding Drug-Free Workplace Requirements (Instructions for Certification)

 1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.

 2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.

 3. For grantees other than individuals, Alternate I applies.

 4. For grantees who are individuals, Alternate II applies.

 5. Workplaces under grants, for grantees other than individuals, need to be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.

 6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).

 7. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).

 8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:

***Controlled substance* means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);**

***Conviction* means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;**

***Criminal drug statute* means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;**

***Employee* means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).**

Certification Regarding Drug-Free Workplace Requirements

Alternate I. (Grantees Other Than Individuals)

The grantee certifies that it will or will continue to provide a drug-free workplace by:

(a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;

(b) Establishing an ongoing drug-free awareness program to inform employees about - -

(1) The dangers of drug abuse in the workplace;

(2) The grantee's policy of maintaining a drug-free workplace;

(3) Any available drug counseling, rehabilitation, and employee assistance programs; and

(c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);

(d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will - -

(1) Abide by the terms of the statement; and (2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;

(e) Notifying the agency in writing, within 10 calendar days after receiving notice under paragraph (d)(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

(f) Taking one of the following actions, within 30 calendar days of receiving notice under paragraph (d)(2), with respect to any employee who is so convicted - -

(1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

(2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

(g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e) and (f).

(B) The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant:

Place of Performance (Street address, city, county, state, zip code)

Alternate II. (Grantees Who Are Individuals)

designates a central point for the receipt of such notices. When notice is made to such a central point, it shall include the identification number(s) of each affected grant.
