Civil Rights Compliance and Enforcement – Nutrition Programs and Activities

I PURPOSE

The purpose of this Instruction is to establish and convey policy and provide guidance and direction to the United States Department of Agriculture (USDA) Food and Nutrition Service (FNS) and its recipients and customers, and ensure compliance with and enforcement of the prohibition against discrimination in all FNS nutrition programs and activities, whether federally funded in whole or not.

II AUTHORITY

A Title VI of the Civil Rights Act of 1964, 42 U.S.C. § 2000d to 2000d-6, which prohibits discrimination based on race, color, and national origin in programs and activities receiving Federal financial assistance; and USDA Implementing Regulation, 7 CFR Part 15, Subpart A and Subpart C.

B Americans with Disabilities Act (28 CFR Part 35, Title II, Subtitle A), which prohibits discrimination on the basis of disability in all services, programs, and activities provided to the public by State and local governments, except public transportation services.

C Title IX of the Education Amendments of 1972 (20 U.S.C. § 1681 et. seq.), which prohibits discrimination based on sex under any education program or activity receiving Federal financial assistance; and USDA Implementing Regulation, 7 CFR Part 15 a.

D Section 504 of the Rehabilitation Act of 1973, which prohibits discrimination based on disability; and USDA Implementing Regulation, 7 CFR Part 15 b.

E Age Discrimination Act of 1975 (45 CFR Part 91), which prohibits discrimination based on age in programs or activities receiving Federal financial assistance.

F The Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (PRWORA), and Department of Justice (DOJ) Memorandum dated January 28, 1999, entitled, “Policy Guidance Document -- Enforcement of Title VI of the Civil Rights Act of 1964 and Related Statutes in Block Grant Type Programs.”

DISTRIBUTION: EAD, EF4, EN	MANUAL MAINTENANCE INSTRUCTIONS: This Instruction Replaces FNS Instructions 113-1, Rev 1, 113-2, 113-3, 113-4, 113-6, 113-7 and 113-8. G Civil Rights Restoration Act of 1987, which clarifies the intent of Congress as it relates to the scope of Title VI of the Civil Rights Act of 1964 and related nondiscrimination statutes to ensure nondiscrimination in all programs and activities of a recipient, whether those programs and activities are federally funded or not.

H The Food Stamp Act of 1977, as amended. The Food Stamp Program (FSP) is an entitlement program available to all low-income individuals and families who meet the income, resource, and eligibility requirements as specified under the Act and corresponding regulations. The Act prohibits discrimination against any applicant or participant in any aspect of program administration for reasons of age, race, color, sex, handicap, religious creed, national origin, or political beliefs.

I Enforcement of Title VI of the Civil Rights Act of 1964 -- National Origin Discrimination Against Persons With Limited English Proficiency, 65 F.R. 50123, August 16, 2000. This is the Federal Register cite for Department of Justice guidance for Executive Order 13166, Improving Access To Services For Persons With Limited English Proficiency, signed on August 11, 2000.

J USDA Departmental Regulation 4330-2, Activities Receiving USDA Financial Assistance, ensures compliance with and enforcement of the prohibition against discrimination in programs and activities funded in whole or in part by the U.S. Department of Agriculture.

K USDA Regulation 7 CFR Part 16, Equal Opportunity for Religious Organizations, implements executive branch policy that, within the framework of constitutional church-State guidelines, religiously affiliated (or “faith-based”) organizations should be able to compete on an equal footing with other organizations for USDA assistance.

Refer to the specific Program Appendices for additional authorities.

III POLICY

The U.S. Department of Agriculture prohibits discrimination in all its programs and activities on the basis of race, color, national origin, age, disability, and where applicable, sex, marital status, familial status, parental status, religion, sexual orientation, genetic information, political beliefs, reprisal, or because all or part of an individual’s income is derived from any public assistance program. **(Not all prohibited bases apply to all programs.) Persons with disabilities who require alternative means for communication of program information (Braille, large print, audiotope, etc.) should contact USDA’s TARGET Center at (202) 720-2600 (voice and TTY).**

Although it is the policy of the USDA and FNS, as so stated above, to provide fair and equitable treatment to every employee and customer, there are specific laws and regulations that provide for the protected bases for each nutritional assistance program.

For this reason, sexual orientation, marital or family status, parental status, and protected genetic information are not protected bases in FNS federally assisted programs.

The following is the list of FNS programs and their applicable protected bases:

A Food Stamp Program and Food Distribution Program on Indian Reservations

- 1 race,
- 2 color,
- 3 national origin,
- 4 age,
- 5 sex,
- 6 handicap (disability),
- 7 religious creed, and
- 8 political beliefs.

B All other FNS nutritional assistance programs

- 1 race,
- 2 color,
- 3 national origin,
- 4 age,
- 5 sex, and
- 6 disability.

Refer to the specific Program Appendices for exceptions to this policy.

IV APPLICABILITY

This Instruction is applicable to all programs and activities of a recipient of Federal financial assistance, whether those programs and activities are federally funded in whole or not.

Sometimes programs or certain parts of programs are established to assist a certain group such as children, the elderly, pregnant or lactating mothers, etc. Whenever Congressional legislation specifies or sets restrictions on program eligibility, those provisions take precedence over certain protected bases.

V DEFINITIONS

A Alternative Dispute Resolution (ADR). The use of a neutral third party to resolve informally a complaint of discrimination, through the use of various techniques (e.g., fact finding, mediation, facilitating, ombudsman, or conciliation). VI RESPONSIBILITIES

USDA's OCR is responsible for the development, implementation, coordination, and enforcement of all aspects of the Department's CR program. The Administrator of FNS is assigned line responsibility for implementing a comprehensive CR program that ensures nondiscrimination compliance in all FNS programs and activities.

A The FNS Administrator delegates the following responsibilities to the FNS CR Director:

- 1 Provide direction and leadership in the formulation and review of FNS CR policies. Provide oversight for State and local agency CR programs.
- 2 Review Agencywide CR program under the CR laws, regulations, rules, and implementing guidelines.
- 3 Provide CR technical assistance and direction to Food Stamp, Special Nutrition, and all other Programs, staffs, and administrative areas.
- 4 Direct and coordinate the Agency's CR compliance program and activities.
- 5 Act as liaison with the USDA OCR, underserved communities, and grassroots organizations or groups.

6 Evaluate program regulations, applicable FNS Instructions, policies, and guidelines to assure that all CR requirements are included.

B Regional Administrators provide direction, leadership, and resources to insure proper implementation of the Regional CR compliance program.

C FNS Regional OCR Directors, in collaboration with appropriate regional program and administrative staff, must:

1 Ensure that CR coverage is included as required in program reviews and grant applications.

2 Ensure that CR compliance assurances are obtained from all State agencies, local agencies, or other subrecipients.

3 Ensure that preapproval/preaward reviews (either onsite or desk reviews) are conducted for program administration applications to determine CR compliance status before approval.

4 Ensure that applicants', participants', and potentially eligible persons' racial and ethnic data are obtained from State agencies as required by CR laws, regulations, policies, instructions, and guidelines.

5 Conduct and/or coordinate ongoing CR training for the FNS Regional Office and State agency personnel.

6 Seek voluntary compliance in noncompliance cases or potential noncompliance cases as provided in the CR regulations, policies, instructions, and guidelines.

7 Coordinate with FNS Headquarters CRD in overall FNS planning and targeting special onsite CR reviews.

8 Process, manage, and facilitate resolution of CR complaints in accordance with guidance from FNS Headquarters CRD and USDA MOU.

9 Provide CR technical assistance and direction to FNS and State program staff and to all other FNS administrative staff.

10 Provide operational direction to Regional Administrators in implementing the CR policies of FNS programs.

VII LIMITED ENGLISH PROFICIENCY

Title VI of the Civil Rights Act of 1964 prohibits recipients of Federal financial assistance from discriminating against or otherwise excluding individuals on the basis of race, color, or national origin in any of their activities. Section 601 of Title VI, 42 U.S.C. § 2000d, provides "No person in the United States shall, on the ground of race, color, or national origin, be excluded

from participation in, be denied benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.”

The term “program or activity” is broadly defined. There is no numerical threshold that must be met before provisions of the Civil Rights Act, prohibiting discrimination based on *national origin*, are applicable.

State agencies, local agencies, or other subrecipients that fail to provide services to Limited English Proficiency (LEP) potentially eligible persons, applicants, and participants, or deny them access to federally assisted programs and activities, may be discriminating on the basis of national origin in violation of Title VI and its implementing regulations. Title VI and its regulations require State agencies, local agencies, or other subrecipients to take reasonable steps to assure “meaningful” access to the information and services they provide. What constitutes reasonable steps to assure meaningful access will be contingent on a number of factors. Among the factors to be considered are (1) the number or proportion of LEP persons eligible to be served or likely to be encountered by the program or grantee; (2) the frequency with which LEP individuals come in contact with the program; (3) the nature and importance of the program, activity, or service provided by the program to people’s lives; and (4) the resources available to the grantee/recipient and costs.

The following will assist a recipient in determining the extent of its obligation to provide LEP services:

A The Number or Proportion of LEP Persons Served or Encountered in the Eligible Population.

One factor in determining what language services recipients should provide is the number or proportion of LEP persons from a particular language group served or encountered in the eligible service population. The greater the number or proportion of these LEP persons, the more likely language services are needed. Ordinarily, persons “eligible to be served, or likely to be directly affected, by” a recipient’s program or activity are those who are served or encountered in the eligible service population. This population will be program-specific, and includes persons who are in the geographic area that has been approved by a Federal grant agency as the recipient’s service area. Where no service area has previously been approved, the relevant service area may be that which is approved by State or local authorities or designated by the recipient itself, provided that these designations do not themselves discriminatorily exclude certain populations.

Recipients should first examine their prior experience with LEP encounters and determine the breadth and scope of language services that were needed. In conducting this analysis, it is important to include language minority populations that are eligible for FNS programs or activities but may be underserved because of existing language barriers. Other data should be consulted to refine or validate a recipient’s prior experience, including the latest census data for the area served, data from school systems and from community organizations, and data from State and local governments. Community agencies, school systems, religious organizations, legal aid entities, and others can often assist in identifying populations for whom outreach is needed and who would benefit from the recipients’ programs and activities where language services are provided.

B The Frequency With Which LEP Individuals Come in Contact With the Program.

Recipients should assess, as accurately as possible, the frequency with which they have or should have contact with an LEP individual from different language groups seeking assistance. The more frequent the contact with a particular language group, the more likely that enhanced language services in that language are needed. The steps that are reasonable for a recipient that serves an LEP person on a one-time basis will be very different than those expected from a recipient that serves LEP persons daily. It is also advisable to consider the frequency of different types of language contacts. For example, frequent contacts with Spanish-speaking people who are LEP may require certain assistance in Spanish. Less frequent contact with different language groups may suggest a different and less intensified solution. If an LEP individual accesses a program or service on a daily basis, a recipient has greater duties than if the same individual's program or activity contact is unpredictable or infrequent. But even recipients that serve LEP persons on an unpredictable or infrequent basis should use this balancing analysis to determine what to do if an LEP individual seeks services under the program in question. This plan need not be intricate. It may be as simple as being prepared to use one of the commercially-available telephonic interpretations services to obtain immediate interpreter services. In applying this standard, recipients should take care to consider whether appropriate outreach to LEP persons could increase the frequency of contact with LEP language groups.

C The Nature and Importance of the Program, Activity, or Service Provided by the Program.

The more important the activity, information, service, or program, or the greater the possible consequences of the contact to the LEP individuals, the more likely language services are needed. The obligations to communicate rights to a person who is arrested or to provide medical services to an ill or injured person, and to provide nutrition assistance to individuals or groups of persons differ, for example, from those to provide bicycle safety courses or recreational programming. A recipient needs to determine whether denial or delay of access to services or information could have serious or even life-threatening implications for the LEP individual. Decisions by a Federal, State, or local entity to make an activity compulsory, such as particular educational programs in the Special Supplemental Nutrition Program for Women, Infants, and Children (WIC) or the communication of eligibility requirements, can serve as strong evidence of the program's importance.

D The Resources Available to the Recipient and Costs.

A recipient's level of resources and the costs that would be imposed on it may have an impact on the nature of the steps it should take. Smaller recipients with more limited budgets are not expected to provide the same level of language services as larger recipients with larger budgets. In addition, "reasonable steps" may cease to be reasonable where the costs imposed substantially exceed the benefits.

Resource and cost issues, however, can often be reduced by technological advances; the sharing of language assistance materials and services among and between recipients, advocacy groups, and Federal grant agencies; and reasonable business practices. Where appropriate, training bilingual staff to act as interpreters and translators, information sharing through industry groups, telephonic and video conferencing interpretation services,

pooling resources and standardizing documents to reduce translation needs, using qualified translators and interpreters to ensure that documents need not be “fixed” later and that inaccurate interpretations do not cause delay or other costs, centralizing interpreter and translator services to achieve economies of scale, or the formalized use of qualified community volunteers, for example, may help reduce costs.

Recipients should carefully explore the most cost-effective means of delivering competent and accurate language services before limiting services due to resource concerns. Large entities and those entities serving a significant number or proportion of LEP persons should ensure that their resource limitations are well-substantiated before using this factor as a reason to limit language assistance. Such recipients may find it useful to be able to articulate, through documentation or in some other reasonable manner, their process for determining that language services would be limited based on resources or costs.

[Specific FNS and Departmental LEP Guidance is Reserved]

VIII EQUAL OPPORTUNITY FOR RELIGIOUS ORGANIZATIONS

A Faith-based and community-based organizations (FBOs and CBOs) have a long history of involvement in Federal nutrition assistance programs and a tradition of supporting low-income people by providing a wide range of social services. These organizations are important and longstanding partners in the Department of Agriculture’s efforts to provide nutrition assistance to those in need.

B Federal nutrition assistance programs operate primarily through partnerships with State agencies, which in turn partner with local organizations. Generally, FBOs/CBOs participate in these programs through agreements with States, or through other local agencies that have agreements with States, rather than directly with the Federal government.

C Nutrition assistance program policy encourages the participation of FBOs/CBOs on an equal footing with other kinds of local cooperating organizations, and avoids barriers that would make their participation difficult. In addition, FNS has undertaken special initiatives that recognize the role of FBOs/CBOs in serving low-income people.

D The Department of Agriculture promulgated a regulation on July 9, 2004, to ensure the elimination of unwarranted barriers to the participation of faith-based organizations in USDA programs to ensure that no organization will be discriminated against in a USDA-funded program on the basis of religion and to ensure that USDA-funded programs are available to all regardless of religion. The regulation, entitled “Equal Opportunity for Religious Organizations,” is codified at 7 CFR Part 16.

E This regulation ensures a level playing field for the participation of faith-based organizations and other community organizations in USDA programs by:

- Prohibiting discrimination for or against an organization on the basis of religion, religious belief, or religious character in the administration or distribution of Federal funds,

- Allowing a religious organization that participates in USDA programs to retain its independence and continue to carry out its mission, provided that direct USDA funds do not support any inherently religious activities such as worship, religious instruction, or proselytization,
- Clarifying that faith-based organizations can use space in their facilities to provide USDA-funded services without removing religious art, icons, scriptures, or other religious symbols, and
- Ensuring that no organization that receives direct financial assistance from the USDA can discriminate against a program beneficiary, or prospective beneficiary, on the basis of religion or religious belief.

IX PUBLIC NOTIFICATION

All FNS assistance programs must include a public notification system. The purpose of this system is to inform applicants, participants, and potentially eligible persons of the program availability, program rights and responsibilities, the policy of nondiscrimination, and the procedure for filing a complaint.

A Basic Elements of Public Notification. The public notification system must include the following three basic elements:

1 Program Availability. Each State agency, local agency, or other subrecipient that distributes program benefits and services must take specific action to inform applicants, participants, and potentially eligible persons of their program rights and responsibilities and the steps necessary for participation.

2 Complaint Information. Applicants and participants must be advised at the service delivery point of their right to file a complaint, how to file a complaint, and the complaint procedures.

3 Nondiscrimination Statement. All information materials and sources, including Web sites, used by FNS, State agencies, local agencies, or other subrecipients to inform the public about FNS programs must contain a nondiscrimination statement. It is not required that the nondiscrimination statement be included on every page of the program information Web site. At the minimum, the nondiscrimination statement, or a link to it, must be included on the home page of the program information.

4 FSP and FDPIR State or local agencies, and their subrecipients, must post the following nondiscrimination statement (or current applicable revision). This statement must be posted in all FSP and FDPIR State agency, local agency, or other subrecipient offices and be included, in full, on all materials regarding such recipients' programs that are produced by the recipients for public information, public education, or public distribution. The authorized statements below cannot be modified. If a State authorizes additional language, it must be included in a separate statement.

a The authorized statement reads as follows:

“In accordance with Federal law and U.S. Department of Agriculture policy, this institution is prohibited from discriminating on the basis of race, color, national origin, sex, age, religion, political beliefs, or disability.

“To file a complaint of discrimination, write USDA, Director, Office of Civil Rights, 1400 Independence Avenue, S.W., Washington, D.C. 20250-9410 or call (800) 795-3272 (voice) or (202) 720-6382 (TTY). USDA is an equal opportunity provider and employer.”

If the material is too small to permit the full statement to be included, the material will at a minimum include the statement, in print size no smaller than the text, that “This institution is an equal opportunity provider.”

b For State agencies using a joint application for food stamp benefits and other public assistance programs administered by the Department of Health and Human Services, FNS allows State agencies the option of waiving the use of the previously mentioned required statement and using the statement specified below. Use of the joint nondiscrimination statement is preapproved. State agencies do not have to submit a written request to FNS to use the joint statement. The second statement that may be used on joint application forms reads as follows:

c “In accordance with Federal law and U.S. Department of Agriculture (USDA) and U.S. Department of Health and Human Services (HHS) policy, this institution is prohibited from discriminating on the basis of race, color, national origin, sex, age, or disability. Under the Food Stamp Act and USDA policy, discrimination is prohibited also on the basis of religion or political beliefs.

“To file a complaint of discrimination, contact USDA or HHS. Write USDA, Director, Office of Civil Rights, 1400 Independence Avenue, S.W., Washington, D.C. 20250-9410 or call (800) 795-3272 (voice) or (202) 720-6382 (TTY). Write HHS, Director, Office for Civil Rights, Room 506-F, 200 Independence Avenue, S.W., Washington, D.C. 20201 or call (202) 619-0403 (voice) or (202) 619-3257 (TTY). USDA and HHS are equal opportunity providers and employers.”

If the material is too small to permit the full statement to be included, the material will, at minimum, include the statement, in print no smaller than text, that “The USDA is an equal opportunity provider and employer.”

d For all other FNS nutritional assistance programs, State or local agencies, and their subrecipients, must post the following nondiscrimination statement (or current applicable revision) and include it, in full, on all materials regarding such programs that are produced for public information, public education, or public distribution. The authorized statements below or current applicable revisions cannot be modified. If a State authorizes additional language, it must be included in a separate statement.

(1) The authorized statement reads as follows:

“In accordance with Federal law and U.S. Department of Agriculture policy, this institution is prohibited from discriminating on the basis of race, color, national origin, sex, age, or disability.

“To file a complaint of discrimination, write USDA, Director, Office of Civil Rights, 1400 Independence Avenue, SW, Washington, D.C. 20250-9410 or call (800) 795-3272 or (202) 720-6382 (TTY). USDA is an equal opportunity provider and employer.”

(2) If the material is too small to permit the full statement to be included, the material will at a minimum include the statement, in print size no smaller than the text that “This institution is an equal opportunity provider.”

(3) A nondiscrimination statement is not required to be imprinted on items such as cups, buttons, magnets, and pens that identify the program, when the size or configuration makes it impractical. In addition, recognizing that Internet, radio, and television public service announcements are generally short in duration, the nondiscrimination statement does not have to be read in its entirety. Rather, a statement such as “The [program name] is an equal opportunity provider” is sufficient to meet the nondiscrimination requirement.

B Methods of Public Notification. Each State agency, local agency, or other subrecipient serving the public must take the actions below to inform the general public, potentially eligible populations, community leaders, grassroots organizations, and referral sources about FNS programs and applicable CR requirements.

1 Prominently display the USDA nondiscrimination poster "And Justice for All," or an FNS approved substitute, except in family day care homes. If a State agency elects to produce its own posters, either due to unavailability from USDA/FNS or State agency preference, the reproduction must be approximately the same size as the applicable “And Justice for All” poster (11” width and 17” height).

2 Inform potentially eligible persons, applicants, participants, and grassroots organizations (particularly those in underserved populations), of programs or changes in programs. This includes information pertaining to eligibility, benefits, and services, the location of local facilities or service delivery points, and hours of service. This information can be communicated by methods such as, but not limited to, Internet, newspaper articles, radio and television announcements, letters, leaflets, brochures, computer-based applications, and bulletins.

3 Provide appropriate information, including Web-based information, in alternative formats for persons with disabilities.

4 Include the required nondiscrimination statement on all appropriate FNS and agency publications, Web sites, posters, and informational materials provided to the public.

5 Convey the message of equal opportunity in all photographic and other graphics that are used to provide program or program-related information.

X ASSURANCES

A To qualify for Federal financial assistance, an application must be accompanied by a written assurance that the entity to receive financial assistance will be operated in compliance with all nondiscrimination laws, regulations, instructions, policies, and guidelines. The Regional Offices will obtain written assurance of nondiscrimination compliance from each State agency and will ensure that State agencies are obtaining assurance from local agencies or other subrecipients that receive Federal financial assistance. Retailer and vendor agreements, though not an indicator of being a recipient of Federal financial assistance, must also include an assurance of nondiscrimination.

B Where applicable, a statement of assurance must be incorporated into the Retailer/Vendor/Federal/State/local/subrecipient agency agreement. With the exception of retailers and vendors, the agreement must state that the entity involved will compile data, maintain records, and submit reports as required to permit effective enforcement of nondiscrimination laws, regulations, policies, instructions, and guidelines. This agreement permits authorized USDA personnel to review such records, books, and accounts as needed during hours of program operation to ascertain compliance. The FNS Regional OCR is responsible for reviewing, approving, and monitoring FNS/State agency agreements. State agencies are responsible for monitoring compliance with the agreements that cover their programs. State agencies are also responsible for reviewing, approving, and monitoring local agency and other subrecipient agreements.

Refer to FNS Program appendices for additional information.

XI CIVIL RIGHTS TRAINING

Training is required so that people involved in all levels of administration of programs that receive Federal financial assistance understand civil rights related laws, regulations, procedures, and directives. Persons responsible for reviewing CR compliance must receive training to assist them in performing their review responsibilities. This training may be carried out as part of ongoing technical assistance.

The FNS Regional OCR and State agencies will be responsible for training State agency staffs. State agencies are responsible for training local agencies. Local agencies are responsible for training their subrecipients, including “frontline staff.” “Frontline staff” who interact with program applicants or participants, and those persons who supervise “frontline staff,” must be provided civil rights training on an annual basis. Specific subject matter must include, but not be limited to:

- A Collection and use of data,
- B Effective public notification systems,
- C Complaint procedures,
- D Compliance review techniques,

- E Resolution of noncompliance,
- F Requirements for reasonable accommodation of persons with disabilities,
- G Requirements for language assistance,
- H Conflict resolution, and
- I Customer service.

XII DATA COLLECTION AND REPORTING

FNS Headquarters and Regional Offices, State agencies, local agencies, and other subrecipients must provide for and maintain a system to collect the racial and ethnic data in accordance with FNS policy. These data will be used to determine how effectively FNS programs are reaching potential eligible persons and beneficiaries, identify areas where additional outreach is needed, assist in the selection of locations for compliance reviews, and complete reports as required.

A Collecting and Reporting Participation Data

1 State agencies, local agencies, and other subrecipients are required to obtain data by race and ethnic category on potentially eligible populations, applicants, and participants in their program service area.

2 Systems for collecting actual racial and ethnic data must be established and maintained for all programs. FNS requires recipients of Federal financial assistance to ask all program applicants and participants to identify all the racial categories that apply. This is consistent with existing OMB guidance. OMB states: “Respect for individual dignity should guide the processes and methods for collecting data on race and ethnicity; ideally, respondent self-identification should be facilitated to the greatest extent possible, recognizing that in some data collection systems observer identification is more practical.” FNS also believes that self-identification or self-reporting is the preferred method of obtaining characteristic data. Program applicants and participants should be encouraged to provide the information by explaining the use of the statistical data. The following is an example that may be utilized when soliciting characteristic data from a program applicant/participant:

“This information is requested solely for the purpose of determining the State’s compliance with Federal civil rights laws, and your response will not affect consideration of your application, and may be protected by the Privacy Act. By providing this information, you will assist us in assuring that this program is administered in a nondiscriminatory manner.” If the applicant declines to self-identify, the applicant should be informed that a visual identification of his or her race and ethnicity will be made and recorded in the data system.

In instances where demographic data, specifically racial/ethnic data, is collected via an online system, provisions must be made for the program applicant/participant to self-identify. Once the data is collected via the online system, the program applicant/participant must then be able to verify this data by signing some type of summary printout of this information or by attesting to the correctness and accuracy of the data in some manner.

3 Such systems must ensure that data collected about potentially eligible persons, program applicants, and participants are:

- a Collected and retained by the service delivery point for each program as specified in the program regulations, instructions, policies, and guidelines,
- b Based on documented records and maintained for 3 years,
- c Maintained under safeguards that restrict access of records only to authorized personnel, and,
- d Submitted, as requested, to the FNS Regional or Headquarters Offices.

4 Race and Ethnic Categories, Two-Question Format: To provide flexibility and ensure data quality, separate categories shall be used when collecting and reporting race and ethnicity. Ethnicity shall be collected first. Respondents shall be offered the option of selecting one or more racial designations. Recommended instructions accompanying the multiple response for race should specify “Mark one or more” or “Select one or more.” The minimum designations for collection are:

- a Ethnicity:
 - (1) *Hispanic or Latino*. A person of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture or origin, regardless of race. The term “Spanish origin” can be used in addition to “Hispanic or Latino.”
 - (2) *Not Hispanic or Latino*.
- b Race:
 - (1) *American Indian or Alaskan Native*. A person having origins in any of the original peoples of North and South America (including Central America), and who maintains tribal affiliation or community attachment.
 - (2) *Asian*. A person having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian subcontinent, including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam.
 - (3) *Black or African American*. A person having origins in any of the black racial groups of Africa. Terms such as “Haitian” or “Negro” can be used in addition to ‘Black or African American.’
 - (4) *Native Hawaiian or Other Pacific Islander*. A person having origins in any of the original peoples of Hawaii, Guam, Samoa, or other Pacific Islands.

(5) *White*. A person having origins in any of the original peoples of Europe, the Middle East, or North Africa.

5 A State agency may have categories for race in addition to the ones required by FNS; however, the additional categories must be mapped and extracted to the FNS-required categories. Provision shall be made to report the number of respondents in each racial category who are Hispanic or Latino.

6 Program applicants/participants may not be required to furnish information on their race or ethnicity unless this information is necessary to determine the applicant's eligibility to receive a benefit or to determine the amount of benefit to which an eligible participant may be entitled. Self-identification by the applicant/participant is the preferred method of obtaining characteristic data. Where an applicant does not provide this information, the data collector shall through visual observation secure and record the information where possible. However, the data collector may not "second guess," or in any other way change or challenge a self-declaration made by the applicant as to his or her race or ethnic background unless such declarations are patently false.

Refer to FNS Program appendices for additional information.

B Determining the Eligible Population. State agencies must identify the population of potentially eligible persons to participate in an FNS program by racial and ethnic data category for each service delivery area, project area or county. The information may be derived from standard statistical sources such as reports issued by the U.S. Census Bureau or Bureau of Vital Statistics. State agencies may also use data or information collected by other Federal and State agencies (e.g., Department of Education (DOEd).)

XIII COMPLIANCE REVIEWS

The CR compliance review is a component of the FNS management evaluation review process that is conducted on an ongoing basis for all FNS programs. The CR review must examine the activities of State agency, local agency, or other subrecipients to determine that FNS programs are being administered in compliance with CR requirements. FNS Regions should refer to the program-specific management evaluation guidance for further information on the management evaluation review process.

A The FNS Regions are responsible for the review of State agencies and Regional Office Administered Programs (ROAP) local agencies. The State agencies are responsible for the review of local agencies, except for ROAP. Local agencies are responsible for the review of their subrecipients.

B The office performing compliance reviews must advise the reviewed entity, in writing, of the review findings and recommendations. If the review is performed by a State agency, any significant findings are to be reported to the FNS Regional OCR. If the review is performed by the FNS Region, significant findings must be reported to FNS Headquarters CRD.

C Preapproval/Preaward Compliance Reviews. The FNS Region or State CR official(s) must determine that all State agency, local agency, or other subrecipient program applicants are in compliance with CR requirements prior to approval for Federal financial assistance. Such determinations must be based on a desk or onsite review of CR information provided by the program applicant. The preapproval/preaward review report must be maintained in the appropriate program files. In all cases, FNS shall require from the program applicant:

1 That each program applicant or recipient promptly notify FNS of any lawsuit filed against the program applicant or recipient or a subrecipient alleging discrimination on the basis of race, color, or national origin, and that each recipient notify FNS of any complaints filed against the recipient alleging such discrimination; and that each program applicant or recipient provide a brief description of any pending applications to other Federal agencies for assistance, and of Federal assistance being provided at the time of the application or requested report.

2 A statement by any program applicant describing any civil rights compliance reviews regarding the program applicant conducted during the 2-year period before the application; information concerning the agency or organization performing the review; and periodic statements by any recipient regarding such reviews.

3 A written assurance by any program applicant or recipient that it will compile and maintain records required by the FNS guidelines or other directives.

4 An onsite preapproval compliance review must be conducted if warranted. For instance, an onsite review must be conducted if the information provided in the application is not sufficient to make the determination of compliance. If the preapproval/preaward compliance review determines that the State agency, local agency or other subrecipient may not be in compliance with CR requirements, action on the application will be deferred pending prompt initiation and completion of administrative action. The FNS Regional OCR or State must immediately notify, as appropriate, the State agency, local agency, or other subrecipient applicant in writing of the noncompliance and provide the program applicant with the opportunity to take corrective action within a specified timeframe.

5 The report of the preapproval/preaward compliance review must include specific facts upon which the written determination of compliance is made.

D The FNS Regional OCR or State CR reviewer must secure information as necessary to make the determination of compliance. In any applications for approval of specific projects or significant changes in applications for continuation or renewal of assistance, and at other times as appropriate, FNS shall require program applicants and recipients to provide relevant and current CR information. Examples of such data and information that are required, to the extent necessary and appropriate, for determining compliance with CR laws, regulations, and instructions, are as follows:

1 The manner in which services are or will be provided by the program in question, and related data necessary for determining whether any persons are or will be denied such services on the basis of prohibited discrimination.

2 The demographics of the population eligible to be served, as necessary to determine any barriers to access by any persons on the basis of prohibited discrimination.

3 Data regarding covered employment, including use or planned use of bilingual public-contact employees serving beneficiaries of the program where necessary to permit effective participation by beneficiaries who do not speak English as their primary language and who have a limited ability to read, speak, write, or understand English.

4 The location of existing or proposed facilities connected with the program, and related information adequate for determining whether the location has or will have the effect of unnecessarily denying access to any persons on the basis of prohibited discrimination.

5 The present or proposed membership demographic statistics of any planning or advisory body that is an integral part of the program.

6 A civil rights impact analysis where relocation is involved. Where additional data, such as demographic maps, the racial composition of affected neighborhoods, or census data, are necessary or appropriate for understanding information required by this section, FNS shall specify, in its guidelines or in other directives, the need to submit such data. Such additional data should be required, however, only to the extent that they are readily available or can be compiled with reasonable effort.

E Post-Award or Routine Compliance Reviews. State and local agencies responsible for the administration of an FNS program or subrecipients approved for participation in an FNS program must conduct routine compliance reviews as identified by this Instruction and program-specific regulations, policies, instructions, and guidelines. These reviews evaluate compliance with CR law, regulations, policies, instructions, and guidance.

1 Coverage and Frequency.

a FNS Regions must review all State agencies within their region and a sampling of local agencies or other subrecipients as required by current program regulations and CR requirements.

b State agencies must review local agencies as required by current program regulations and CR requirements. Local agencies must review their subrecipients as required by current program regulations and CR requirements.

2 Selection Criteria. The State agency, local agency, or other subrecipient to be reviewed for CR compliance by the Food and Nutrition Service Regional Office (FNSRO) may be selected based on an indication of possible concerns in the State agency, local agency or other subrecipient program operations. Indicators of possible CR concerns may include, but are not limited to, the following:

a An unusual fluctuation in the participation of racial or ethnic groups in a service area,

- b The number of discrimination complaints filed against the agency,
- c Information from grassroots organizations, advocacy groups, individuals, State officials, or other interested parties, or
- d Unresolved findings from previous CR reviews.

3 Review Content.

a When the FNS Region is reviewing CR compliance in a State, the following items should be determined as appropriate:

- (1) Whether the State is meeting its requirement to review lower-level agencies (e.g., local agencies),
- (2) Whether the State's data collection system results in valid counts of program applicants and participants,
- (3) Whether the State's data collection system ensures that access to program records is restricted to authorized personnel only,
- (4) Whether uniform program requirements are applied to all local agencies or other subrecipients (e.g., are all clinics required to operate under the same requirements?),
- (5) Whether there is a public notification system in place that meets the minimum requirements set forth in this Instruction and other applicable regulations, policies, and guidance,
- (6) Whether the complaint procedure meets the minimum requirements set forth in this Instruction and other applicable regulations, policies, and guidance,
- (7) Whether training is provided to all new and current employees to assure that these persons are competent in CR enforcement or the operation of the program in a nondiscriminatory manner,
- (8) Whether the State is using the USDA nondiscrimination statement (see appropriate program appendices),
- (9) Whether the State provides CR training to its local agencies or other subrecipients,
- (10) Whether the State is conducting analyses to determine that denied applications are not disproportionately composed of any segment of the population, and
- (11) Whether vendors are serving all persons in compliance with CR requirements, and whether program participants are treated the same as other customers.

b When a review of a local agency or other subrecipient is performed, by either the FNS Region or the State, the following items should be determined:

- (1) Whether potentially eligible persons and households have an equal opportunity to participate in the program,
- (2) Whether case records are coded by race or ethnic origin,
- (3) Whether offices are displaying the USDA nondiscrimination poster in a conspicuous location,
- (4) Whether the nondiscrimination statement is included on all printed materials such as applications, pamphlets, forms, or any other program materials distributed to the public and on Web sites; and whether graphic materials reflect inclusiveness based on race, color, national origin, age, sex, and disability,
- (5) Whether program information is being made available to potentially eligible persons, program applicants, and participants. Whether the local agency or subrecipient is providing program information to organizations within the community that may assist the local agency in reaching potentially eligible populations,
- (6) Whether actual applicant and participant racial and ethnic data are being collected and maintained on file for 3 years,
- (7) Whether CR complaints are being handled in accordance with procedures outlined in this Instruction or other regulations, policies, and guidance, and
- (8) Whether the local agency or other subrecipient has conducted CR training for its staff.

F Reports. The FNS Region, State agency, or local agency must submit a written report detailing the findings of the CR review to the State, local agency, or subrecipient, as appropriate. FNS Region reports must be forwarded to FNS Headquarters CRD upon completion. State and local agency reports must be maintained on file and must be made available during subsequent CR reviews.

G Corrective Action. Findings that indicate probable noncompliance with CR requirements must be handled in accordance with the procedures for resolving noncompliance contained in this Instruction.

H Special Compliance Reviews. A special compliance review should be conducted by FNS Regional and/or Headquarters CRD when significant CR concerns having a direct effect on the delivery of FNS program services and/or benefits are identified. Special compliance reviews should be planned and conducted by FNS Headquarters or Regional OCRs. USDA OCR may conduct other special reviews.

Examples of Special Compliance Review circumstances include, but are not limited to:

- 1 Program participation data indicates that a particular group in a specific area is not benefiting from an FNS program,
- 2 Reports of alleged noncompliance made by the media, grassroots organizations, or advocacy groups need to be resolved,
- 3 Reports of alleged noncompliance made by other agencies, such as DOEd and HHS, need to be resolved, or
- 4 Patterns of complaints of discrimination have been documented.

I FNS Regional Office Reviews. FNS Headquarters CRD must conduct Regional Office reviews in coordination with Program Deputy Administrators, Regional Administrators, and Regional OCRs. The reviews will include in-depth examinations of Regional Office practices related to State agency implementation of its CR administrative responsibilities, procedures for monitoring and conducting CR reviews, and procedures for handling CR complaints in FNS programs. The review may also include an assessment of the implementation practices of a State agency.

XIV RESOLUTION OF NONCOMPLIANCE

A Noncompliance. A finding of noncompliance may be the result of a routine management evaluation review, a special review, or an investigation. Noncompliance is a factual finding that any CR requirement, as provided by law, regulation, policy, instruction, or guidelines, is not being adhered to by a State agency, local agency, or other subrecipient.

The following are general examples of prohibited discrimination:

- 1 Denying an individual or household the opportunity to apply for FNS program benefits or services on the basis of race, color, national origin, age, sex, or disability. The FSP and FDPIR also prohibit discrimination on the basis of religion and political beliefs.
- 2 Providing FNS program services or benefits in a disparate manner on the basis of race, color, national origin, age, sex, or disability, unless the difference is necessary to comply with nondiscrimination requirements, such as disability accommodations. The FSP and FDPIR also prohibit discrimination on the basis of religion and political beliefs.
- 3 Selecting members for planning and advisory bodies in such a way as to exclude persons from membership on the basis of race, color, national origin, age, sex, or disability. The FSP and FDPIR also prohibit discrimination on the basis of religion and political beliefs.
- 4 Selecting FNS program sites or facilities in a manner that denies an individual access to FNS program benefits, assistance, or services on the basis of race, color, national origin, age, sex, or disability. The FSP and FDPIR also prohibit discrimination on the basis of religion and political beliefs.

B Achieving Voluntary Compliance. Once noncompliance is determined, steps must be taken immediately to obtain voluntary compliance. The effective date of the finding of noncompliance is the date of the written notice of noncompliance to the State agency, local agency, or other subrecipient. After a finding of noncompliance, the following action must be taken:

- 1 State agency must:
 - a Provide immediate written notice to the local agency or other subrecipient indicating the areas of noncompliance and the action required to correct the situation.
 - b Negotiate with the local agency or other subrecipient to achieve compliance.
 - c Submit to the Regional Administrator a Report of Findings of Noncompliance in letter format on all cases where corrective action has not been completed within 60 days of the finding. The attached documentation must include the following:
 - (1) Copies of compliance reviews,
 - (2) A brief statement of the allegations of noncompliance that can be factually supported,
 - (3) A statement of all actions taken to achieve voluntary compliance,
 - (4) List of available witnesses, their addresses, and official titles, with a brief statement of the matter about which they can testify,
 - (5) Relevant contracts, assurances, and agreements between the State agency, local agency, and other subrecipient,
 - (6) List of names, titles, office mailing addresses, and office telephone numbers of parties involved, including the chief local agency or other subrecipient official and the State administrative official responsible for the program,
 - (7) A report of the specific amount of assistance provided during the last 3 fiscal years and the program authorities under which the assistance is extended,
 - (8) Letters from the State agency advising the local agency or other subrecipient of failure to comply,
 - (9) A statement of the defenses the local agency or other subrecipient may be expected to raise, and
 - (10) Recommendation for enforcement proceeding or for permission to pursue voluntary compliance efforts.

2 FNS Regional OCR must, with the concurrence of the Regional Administrator (RA):

a Determine whether the State agency should pursue further voluntary compliance efforts. If so, refer the case back to the State agency with suggestions for further actions that may achieve voluntary compliance.

b If it is determined that the State agency has exhausted all voluntary compliance efforts, or if the initial noncompliance determination was made by the FNS Regional OCR, FNS Regional OCR must prepare a letter to the State agency, local agency, or other subrecipient for the Regional Administrator's signature that includes:

- (1) The area of probable noncompliance,
- (2) Appropriate citations being violated under 7 CFR Part 15, this Instruction or other FNS regulation, policy, or guidance,
- (3) Sixty-day notice to resolve the matter and agree to corrective action, and
- (4) Warning that the matter may be subject to legal actions.

c If the RA determines that voluntary corrective action cannot be achieved within the 60 days allowed by negotiation with the State agency, local agency, or other subrecipient, the RA must submit the Report of Findings of Noncompliance, with appropriate documentation attached, to FNS Headquarters CRD, with copies to the appropriate FNS Deputy Administrator. Appropriate documentation should include the following:

- (1) Copies of compliance reviews,
- (2) A brief statement of the allegations of discrimination that can be factually supported,
- (3) A statement of all actions taken to achieve voluntary compliance,
- (4) List of available witnesses with their addresses and official titles, and with a brief statement of the matter about which they can testify,
- (5) Relevant contracts, assurances, and agreements with FNS and, where appropriate, between the State agency, local agency, or other subrecipient,
- (6) List of names, titles, office mailing addresses, and office telephone numbers of parties involved, including the chief agency official and the State administrative official responsible for the program,
- (7) A report of the specific amount of assistance provided during the last 3 fiscal years and the program authorities under which the assistance is extended,

(8) Letters from the State agency and/or FNS advising the agency of failure to comply,

(9) A statement of the defenses the agency may be expected to raise, and

(10) Recommendation for enforcement proceeding or for permission to pursue voluntary compliance efforts.

3 FNS Headquarters CRD must, with the concurrence of the appropriate Program Deputy Administrator:

a Determine whether the RA should pursue further voluntary compliance efforts. If so, refer the case back to the FNS Regional Administrator and Regional OCR with suggestions for further actions that may achieve voluntary compliance.

b If it is determined that the RA has exhausted all voluntary compliance efforts, FNS OCR must prepare a letter to the State agency, local agency, or other subrecipient for the FNS Administrator's signature that includes:

(1) The area of probable noncompliance,

(2) Appropriate citations being violated under 7 CFR Part 15, this Instruction or other FNS regulation, policy, or guidance,

(3) Notification of 30 days to resolve the matter and agree to corrective action or to submit a request for reconsideration. Requests for an extension of the time to submit opposing comments must be made in writing before the time for such submissions has expired. FNS' decision on a request for reconsideration is final, and there is no further right to request reconsideration. A request for reconsideration must contain arguments or evidence which establish that:

(a) new material and evidence is available that was not readily available when the previous decision was issued, or

(b) the previous decision involved an erroneous interpretation of law, regulation, or material fact, or misapplication of established policy, or

(c) the decision is of such exceptional nature as to have substantial implications.

(4) Warning that the matter may be subject to legal actions.

c If the letter from the FNS Administrator fails to achieve compliance within the 30 days allowed, the complete case and other required documentation will be forwarded to USDA OCR for formal enforcement action. Copies of the complete case must be included for forwarding by USDA OCR to the Office of the General Counsel (OGC) and DOJ.

4 USDA OCR Responsibilities:

a Review the record for completeness and adequacy of efforts at securing voluntary compliance.

b Issue orders to give a notice of hearing or opportunity to request a hearing pursuant to 7 CFR Part 15 and arrange for the designation of an administrative law judge to preside over any such hearing.

c Authorize the taking of action pursuant to 7 CFR Part 15.8(a) relating to compliance by "other means authorized by law."

C Termination or Suspension of Assistance. Any action to suspend or terminate assistance must be limited to a particular State agency, local agency or other subrecipient against whom the finding of noncompliance has been made and must be limited in its effect to the particular program, or part thereof, on which noncompliance has been found.

1 General conditions for termination or suspension of assistance by USDA must not become effective until FNS and USDA administrative responsibilities have been met.

a FNS Responsibilities:

(1) Advise the State agency, local agency, or other subrecipient in writing of its failure to comply and that it has been determined that compliance cannot be secured through voluntary means.

(2) Forward the complete case and other required documentation to USDA OCR for formal enforcement action. Copies of the complete case must be included for forwarding by USDA OCR to the OGC and the DOJ.

b USDA Responsibilities:

(1) Document the finding that after opportunity for a hearing, the recipient has failed to comply with the requirements of this instruction, regulations, policies, and other applicable guidelines.

(2) Ensure the action has been approved by the Secretary pursuant to 7 CFR Part 15.10(e).

(3) Ensure 30 days have passed since the Secretary has filed a full written report of the circumstances and the grounds for such action with the committee of the House and committee of the Senate that have legislative jurisdiction over the program involved.

2 After final termination is approved by the Secretary, FNS Headquarters CRD must prepare a letter to the appropriate FNS Deputy Administrator for the termination of

the financial assistance. The letter must advise the Deputy Administrator to advise FNS Headquarters OCR if the violating State agency, local agency, or other subrecipient reappplies for assistance. FNS Headquarters CRD must notify USDA OCR of the reapplication for assistance and, upon agreement with USDA OCR, conduct a preapproval onsite review.

XV COMPLAINTS OF DISCRIMINATION

A All complaints alleging discrimination on the basis of race, color, national origin, age, sex, or disability, either written or verbal, must be processed within the time frames established by Departmental regulations and agreements. The FSP and FDPIR also prohibit discrimination on the basis of religion or political beliefs.

B FNS Headquarters CRD and the FNS Regional OCRs have been delegated the authority to determine whether or not complaints will be reviewed and, if so, the manner in which they are to be reviewed. Depending on where the complaint was initially filed, it must be forwarded to the appropriate OCR (FNS Headquarters, Regional, or State) for a determination on how the complaint will be handled. The appropriate OCR will prepare and issue letters of acknowledgment to the complainants.

C FNS Headquarters and Regional OCRs must establish and maintain a system for processing and resolving complaints of discrimination that complies with Departmental regulations and agreements. FNS Headquarters CRD has a Memorandum of Understanding with USDA OCR regarding complaint processing and resolution that directs FNS actions as follows:

1 Right to File. Any person or representative alleging discrimination based on a prohibited basis has the right to file a complaint within 180 days of the alleged discriminatory action. Only the Secretary of Agriculture may extend this time under special circumstances. The complainant must be advised of confidentiality and Privacy Act applications. The complainant and the entity that the complaint is filed against will be encouraged to resolve the issue at the lowest possible level and as expeditiously as possible.

2 Acceptance. All complaints, written or verbal, must be forwarded to the appropriate Regional or FNS OCR Director, unless an approved State complaint procedure is in place. Anonymous complaints will be handled as any other complaints, to the extent feasible, based on available information.

3 Forms. FNS Headquarters and Regional OCR, State agency, local agency, or other subrecipient may develop complaint forms, but the use of such forms must not be a prerequisite for acceptance of a complaint. It is encouraged that complaint form format be collaboratively developed and coordinated among FNS, State agency, local agency, and/or other subrecipients.

4 Verbal Complaints. In the event a complainant makes the allegations verbally or in person and refuses or is not inclined to place such allegations in writing, the person to whom the allegations are made must write up the elements of the complaint for the complainant. Every effort should be made to have the complainant provide the following information:

a Name, address, and telephone number or other means of contacting the complainant,

b The specific location and name of the State agency, local agency, or other subrecipient delivering the service or benefit,

c The nature of the incident or action that led the complainant to feel discrimination was a factor, and an example of the method of administration that is having a disparate effect on the public, potential eligible persons, applicants, or participants,

d The basis on which the complainant believes discrimination exists. The bases for nondiscrimination are race, color, national origin, age, disability or sex. The FSP and FDPIR also prohibit discrimination on the basis of religion and political beliefs,

e The names, telephone numbers, titles, and business or personal addresses of persons who may have knowledge of the alleged discriminatory action, and

f The date(s) during which the alleged discriminatory actions occurred or, if continuing, the duration of such actions.

These guidelines summarize the responsibilities of FNS OCR, FNS Regional and Field Offices, and those State agencies delegated the authority to process complaints.

A FNS Headquarters CRD will:

1 Acknowledge complaints filed with the Secretary of Agriculture and the FNS Administrator informing the complainant of the action planned or requesting additional information needed for clarification.

2 Request that the appropriate regional office gather facts that will either support or refute the complainant's allegation(s).

3 Refer the complaint to the appropriate agency if not within FNS' jurisdiction.

4 Refer the complaint to the appropriate program division if no protected class is involved or the issues alleged are of a program nature.

5 Refer all age discrimination complaints to the Federal Mediation and Conciliation Service.

6 Review and evaluate the facts gathered and presented by the regional offices.

7 Recommend corrective action, when necessary.

8 Write Final Agency Decision letters informing the complainant of closure or followup action. Include the complainant's right to appeal to the Secretary of Agriculture.

B FNS Regional Offices will:

2 Request that the appropriate field office gather facts that will either support or refute the complainant's allegation(s).

3 Refer the complaint to the appropriate agency if not within FNS' jurisdiction.

4 Refer the complaint to the appropriate program division if no protected class is involved or the issues alleged are of a program nature.

5 Refer all age discrimination complaints to the Federal Mediation and Conciliation Service in Washington, D.C. within 10 days of receipt.

6 Review and evaluate facts gathered and presented by the field offices.

- 5 Review and evaluate the facts gathered.
- 6 Write decision letters informing the complainant of closure or followup action. Include the complainant's right to appeal to the Secretary of Agriculture.
- 7 Implement corrective action, when necessary.
- 8 Submit a report to FNSRO of each complaint processed, prior to issuing a decision letter to the complainant for the purpose of oversight and concurrence.

XVII PROCEDURES FOR PROCESSING AND RESOLVING COMPLAINTS OF DISCRIMINATION

A All complaints alleging discrimination on the basis of race, color, national origin, age, sex, or disability, either written or verbal, must be processed within 90 days of receipt. The FSP and FDPIR also prohibit discrimination on the basis of religion or political beliefs.

B Responsibilities of State agencies, local agencies, or other subrecipients in regard to discrimination complaint processing are set out in USDA regulations implementing CR laws. In some instances, program regulations address complaint processing. This Instruction coordinates the complaint processing responsibilities of State agencies, local agencies, or other subrecipients. USDA regulations implementing Federal CR laws place certain direct requirements on State agencies, local agencies, or other subrecipients to maintain a processing system for discrimination complaints.

C State agencies are to follow the steps below for interacting with FNS Regional OCRs in the administration of their discrimination complaint processing system:

- 1 As part of the State Operations Plan, each State agency must submit a description of the agency's discrimination complaint/grievance processing system to the FNSRO for review. State agencies should operate their system as described in the approved submission unless there is an approved revision.

- 2 All complaints alleging discrimination on the basis of age, except as noted in program appendices, will be forwarded to the appropriate FNS Regional OCR by the State agency within 5 working days after receipt. The FNS Regional OCR will refer the complaint to the Federal Mediation and Conciliation Service (FMCS) within 10 days of initial receipt by the State agency, local agency, or other subrecipient, in accordance with the governmentwide arrangement. If FNS Headquarters CRD receives the complaint, it will adhere to the same processing standards. If FMCS mediation is successful, FMCS must notify the appropriate FNS CRD so that the case can be closed. If mediation is unsuccessful, FMCS must refer the complaint back to the appropriate OCR for processing through the established complaint processing system.

D FNS, and those State agencies delegated the authority to process complaints of discrimination under their respective statutes or policies, will be responsible for the entire complaint process, including providing the complainant with appeal rights at the time of closure. Program complaints that do not allege discrimination shall be processed as such under program

guidelines and recorded under a separate and distinct logging system for easy identification. Upon receipt of an incoming complaint, the OCR, Regional Offices, and State agencies will proceed accordingly:

1 When the OCR receives a complaint, it is immediately logged into a computerized tracking system. The case is forwarded to a Civil Rights Specialist who analyzes it to determine jurisdiction and appropriate course of action. The Civil Rights Specialist acknowledges receipt of the complaint within 5 days and includes within the acknowledgement letter action(s) planned or a request for additional information, if needed.

2 Based on the analysis performed by the Civil Rights Specialist, one of three situations will occur:

a Referral: these are cases received that required no action to be performed by the Civil Rights Specialist. In this instance, the case is referred to the appropriate office and /or agency. Cases in this category will be considered closed at this point.

b Age Discrimination: these are cases received that contain an allegation of age discrimination. These cases will be forwarded to the Federal Mediation and Conciliation Service (FMCS) in Washington, D.C. for mediation. The agency will ensure that, as required by regulations, complaints are referred to FMCS within 10 days of receipt by FNS. FMCS will have 60 days to mediate the complaint. If mediation is successful and the complaint is resolved, FMCS will forward its findings to FNS. This will initiate a letter to the complainant by FNS confirming that the mediation was successful. If mediation is unsuccessful, or if FNS does not send the complaint to FMCS within the 10-day time frame, FNS will process the complaint in accordance with the established complaint processing procedures for other complaints.

c Investigation: these are cases that contain alleged violations in FNS programs, a prohibited basis of discrimination, and an adverse action as determined by the complainant. An investigation must be conducted on these cases. *At minimum, the investigation must consist of:*

(1) contact with the complainant or authorized representative, if any, and a review of his/her case file,

(2) a review of a representative sample of case files of similarly situated program participants/applicants proceeding with:

(a) the total program participant/applicant population (to be determined within an established timeframe), extracting from that population:

(b) the total number of program participants/applicants that are similarly situated as the complainant, concluding with not less than ten (10) percent of the random number of program participants/applicants that are similarly situated as the complainant,

Note: In cases where ten (10) percent of the total number of program participants/applicants that are similarly situated as the complainant is twenty (20) or less, you must review at least five (5) of those case files.

(3) contact with the State agency for a response to the allegations set forth in the complaint.

3 When an investigation is determined necessary, the Specialist uses one of two methods for obtaining information on a complainant: a) contact the complainant for additional information on the complaint and desk review of the case files; or b) conduct an investigation.

a When a desk review of information from the complainant's case file and similarly situated case files is determined to be the appropriate action, the regional office will provide a written request, within 5 days of receipt of notice from OCR, to the State agency for the information desired. If the complainant's letter was initially received in Headquarters, the request for a desk review will be forwarded to the regional office for action. Information from the State agency may be requested by telephone; however, all telephone requests should be documented and followed up in writing. The letter to the State agency shall be sent certified mail -- return receipt requested or by a method where delivery can be tracked by the receiver's signature.

b The nature of the complainant's letter may warrant an onsite investigation. The onsite investigation must consist of an interview with the complainant (face-to-face or by telephone); the investigation may be discontinued at this step if the complainant indicates that discrimination did not occur; that he/she understands how the case was handled; does not wish to pursue the complaint; or withdraws the complaint. If the complainant does not wish to pursue or withdraws the complaint, the person conducting the investigation should obtain a signed statement from the complainant. The signed statement should be included with the investigative report. If further investigation is necessary based on available information, the following steps will be taken in addition to the interview with the complainant:

- (1) review of the complainant's case file,
- (2) review of other similarly situated case files,
- (3) interviews with local Agency officials,
- (4) interviews with relevant witnesses and other applicants/participants, and
- (5) interviews with representatives of grassroots/advocacy organizations, if warranted.

4 The FNS/State agency shall conduct an investigation to substantiate or refute the allegations in the complaint. An investigation shall be conducted on all complaints that establish a prima facie case of discrimination. The elements of a prima facie case may vary depending on the facts of the complaint, but such elements often include the following:

- a the complainant is a member of a protected class,
- b the complainant is qualified and eligible for a benefit or a program that receives Federal financial assistance from USDA,
- c the complainant's access to or participation in a USDA federally funded program was harmed by the recipient's action or failure to act, and
- d there is some evidence of recipient's actions or failure to act from which, if otherwise unexplained, an inference of discrimination can be drawn.

The State agency shall prepare a written report of the investigation that includes the findings of the investigation with relation to the specific allegations of the complaint and a summary of all interviews with the complainant, participants, and community organizations and case file examinations. If an investigation is not conducted, the State agency shall provide an explanation in its report to the FNS regional office.

To ensure that sufficient information is presented to make a sound decision and fully address issues or concerns of the complainant, a standardized inquiry report format may be used. All requests for extensions of time to conduct preliminary inquiries will be handled on a case-by-case basis. Processing time will be counted during the extension period.

5 All complaints, regardless of the originating office, shall be processed and closed within 90 days of receipt. A decision letter shall be sent to the complainant that contains: The name of the complainant, a review number, the date the complaint was received, a statement of the jurisdictional authority, a statement of each allegation and applicable regulation, if an investigation is warranted, the methodology on how the complaint was investigated, and the conclusions. All decision letters to complainants will include their appeal rights to the Secretary of Agriculture.

6 The FNSRO shall maintain responsibility for the review and disposition of each complaint handled at the State agency level. The State agency will submit a report to FNSRO of each complaint processed, prior to issuing a decision letter to the complainant for the purpose of oversight and concurrence. All complaint reports will be reviewed for thoroughness, particularly to determine if all of the complainant's allegations and concerns were addressed and if appropriate inquiry/contacts were made. The FNS regional office shall refer all complaints processed by the State agency to FNS Headquarters quarterly for final disposition.

FNS Headquarters will maintain management responsibility for the review and disposition of each complaint handled at the Headquarters or FNSRO levels. All reports will be reviewed for compliance to determine if the complainant's concerns were adequately addressed and if appropriate contacts were made.

In addition to reviewing records, all complaint activity, including training, will be monitored and evaluated during routine annual CR reviews. Staff having the responsibility for processing complaints must be trained on the appropriate procedures prior to conducting complaint inquiries/investigations. Regional Civil Rights Directors will continue to provide training to

Regional, Field Office, and State agency personnel on an ongoing basis. The FNSRO will, during Management Evaluation Reviews, review State agency complaint procedures to determine if their procedures meet regulatory requirements and to assure that State agencies implement connective action on any noncompliance situation disclosed during an investigation.

FOOD STAMP PROGRAM (FSP)

- A Legislative Authority - The Food Stamp Act of 1977, 7 U.S.C. § 2011-2036.
- B Regulatory - 7 CFR Parts 271 -- 285.
- C Overview

The FSP is authorized under the Food Stamp Act of 1977, as amended (the Act). The FSP is an entitlement program available to all low-income individuals and families that meet the income, resource, and eligibility requirements as specified under the Act and corresponding regulations. In addition to CR legislation and USDA policy, FSP regulations at 7 CFR Part 272.6 specify that State agencies shall not discriminate against any applicant or participant in any aspect of program administration, including, but not limited to, the certification of households, the issuance of program benefits, the conduct of fair hearings, or the conduct of any other program service for reasons of age, sex, race, national origin, color, handicap, religious creed, or political beliefs.

D Definitions

1 *Citizenship and immigrant status* -- In general, to be eligible to participate in the FSP, a person must be a U.S. citizen, a U.S. noncitizen national, a member of an Indian tribe as defined in section 4(e) of the Indian Self Determination and Education Assistance Act (25 U.S.C. § 450b(e)), an American Indian who was born in Canada, or an eligible immigrant as specified under the Act and corresponding regulations. See 7 CFR Part 273.4.

2 *Disabled* -- a household member who suffers from a disability considered permanent under the Social Security Act or who suffers from a non-disease-related severe and permanent disability. See full definition at 7 CFR Part 271.2.

3 *Elderly* -- For FSP purposes, an elderly person is 60 years of age or older.

4 *Plan of Operation* -- Each State agency must submit for approval a plan of operation specifying the manner in which the program will be conducted within the State in every political subdivision. The State Plan of Operation includes a preprinted Federal or State Agreement that has been signed by each State. The agreement includes a CR statement. See 7 CFR Part 272.2.

5 *Project area* - the county or similar political subdivision designated by a State as the administrative unit for program operations.

6 *Small project* - areas with monthly active caseloads of 2,000 households or fewer.

7 *Medium project* - areas with monthly active caseloads of 2,001 to 15,000 households.

8 *Large project* - areas with monthly active caseloads of 15,000 households or more.

9 *Single-language minority* – households that speak the same non-English language and that do not contain adult(s) fluent in English as a second language.

10 *State agency* -- The State agency is the agency of State government, including local offices, that are responsible for the administration of the federally aided public assistance programs, including the FSP. The State agency may either be State administered or County administered. County administered agencies include the local agencies that administer public assistance programs for the State agency. Under the Act, an Indian Tribal Organization (ITO) may request approval from the Secretary of Agriculture to operate the FSP as a separate State agency providing the ITO can prove the State agency is not operating the program to meet the needs on the reservation. The FSP must notify FNS Civil Rights Offices in the event approval is given. (See 7 CFR Part 271.2).

E Civil Rights Assurance

In accordance with 7 CFR Part 272.2(b), the State/Federal agreement, which is a component in the State agency's Plan of Operation, must contain a statement in which the State agency agrees to comply with all applicable civil rights laws and regulations. FNS Regional and State OCR offices are responsible for ensuring that the appropriate CR statement in the State/Federal agreement is updated as necessary.

F Public Notification -- 7 CFR Part 272.6(f)

In general, State agencies must: (1) publicize procedures for filing a complaint, (2) insure that all offices involved in administering the program display the nondiscrimination poster provided by FNS, and (3) insure that participants and other low-income households have access to information regarding nondiscrimination statutes and policies, complaint procedures, and the rights of participants, within 10 days of the date of a request.

G Nondiscrimination Statement

Under 7 CFR Part 273.2 (b)(viii) of the FSP regulations, each State agency's food stamp application form must contain the nondiscrimination statement as specified below in Item 1. For State agencies using a joint application for food stamp benefits and other public assistance programs administered by the Department of Health and Human Services, FNS is allowing State agencies the option of waiving 7 CFR Part 273.2(b)(viii) and using the statement specified under Item 2 below. Use of the joint nondiscrimination statement is preapproved. State agencies do not have to submit a written request to FNS to use the joint statement. If the material is too small to permit the full statement to be included, the material will, at minimum, include the statement, in print no smaller than text, that "The USDA is an equal opportunity provider and employer."

1 The first authorized statement reads as follows:

“In accordance with Federal law and U.S. Department of Agriculture policy, this institution is prohibited from discriminating on the basis of race, color, national origin, sex, age, religion, political beliefs, or disability.”

“To file a complaint of discrimination, write USDA, Director, Office of Civil Rights, 1400 Independence Avenue, S.W., Washington, D.C. 20250-9410 or call (800) 795-3272 (voice) or (202) 720-6382 (TTY). USDA is an equal opportunity provider and employer.”

2 The second statement that may be used on joint application forms reads as follows:

“In accordance with Federal law and U.S. Department of Agriculture (USDA) and U.S. Department of Health and Human Services (HHS) policy, this institution is prohibited from discriminating on the basis of race, color, national origin, sex, age, or disability. Under the Food Stamp Act and USDA policy, discrimination is prohibited also on the basis of religion or political beliefs.

“To file a complaint of discrimination, contact USDA or HHS. Write USDA, Director, Office of Civil Rights, 1400 Independence Avenue, S.W., Washington, D.C. 20250-9410 or call (800) 795-3272(voice) or (202) 720-6382 (TTY). Write HHS, Director, Office for Civil Rights, Room 506-F, 200 Independence Avenue, S.W., Washington, D.C. 20201 or call (202) 619-0403 (voice) or (202) 619-3257 (TTY). USDA and HHS are equal opportunity providers and employers.”

H Bilingual Requirements -- 7 CFR Part 272.4(b)

1 Current FSP rules at 7 CFR Part 272.4(b) require State agencies to use appropriate bilingual personnel and printed materials in areas in the State in which a substantial number of members of low-income households speak a language other than English, otherwise referred to as persons with Limited English Proficiency (LEP). To determine if a substantial number of LEP households reside in an area, the current rules specify the methodology for estimating the number of LEP households and thresholds that trigger mandatory bilingual services.

2 In general, each certification office that provides service to an area containing approximately 100 single-language minority low-income households must routinely provide both bilingual certification materials and bilingual staff or interpreters. Certification materials include the food stamp application form, change report forms (i.e., monthly, quarterly, or change reports) and notices to the household. Bilingual services also are required in project areas with a total of less than 100 low-income households if a majority of those households are of a single-language minority.

3 Bilingual services as described in this section must be provided for all FSP activities including, but not limited to, work requirements, Electronic Benefit Transfer, outreach, and nutrition education.

4 To determine the need to provide for bilingual services, State agencies are required to develop estimates of the number of low-income single-language minority households, both participating and not participating in the program, for each project area and certification office, and use those estimates to determine if thresholds are met. If so, bilingual services must routinely be provided in those project areas and offices.

I Data Collection

As specified at 7 CFR Part 272.6(g), State agencies must obtain racial and ethnic data on participating food stamp households and report the information to FNS on the *FNS 101, Participation in Food Programs*. State agencies may request applicant households to identify voluntarily their race and ethnicity on the application form. The application form must clearly indicate that the information is voluntary, that it will not affect the applicant's eligibility or benefit level, and that the information is to assure that program benefits are distributed without regard to race, color, or national origin. The data must be maintained on file for 3 years.

State agencies are responsible for using current racial or ethnic data to determine if the program is reaching potentially eligible, low-income households. Unexplained discrepancies in participation data that indicate a project area is not in compliance with CR requirements must be reviewed or investigated further. Trend analyses must also be conducted to determine if significant changes in racial and ethnic data warrant further review or investigation.

J FSP Complaint Process -- 7 CFR Part 272.6(c)

1 Complaints from an applicant or recipient alleging discrimination in any aspect of program administration will be accepted by the Secretary of Agriculture provided sufficient information (See 2 (a-f) below) is submitted. A complaint must be filed no later than 180 days from the date of the alleged discrimination. This filing date may be extended by the Secretary.

2 At a minimum, complaints must contain the following information (for additional information, see Sections XIV through XVI):

a The name, address, and telephone number or other means of contacting the person alleging discrimination,

b the location and name of the organization or office that is accused of discriminatory practices,

c the nature of the incident or action or the aspect of program administration that led the person to allege discrimination,

d the basis for the alleged discrimination (age, race, color, sex, disability, religious creed, national origin, or political belief),

e the names, titles (if appropriate), and addresses of persons who may have knowledge of the alleged discriminatory acts, and,

f the date or dates on which the alleged discriminatory actions occurred.

K Compliance Reviews

Ongoing CR compliance reviews must be conducted by Regional OCR Offices as part of the overall FSP Management Evaluation (ME) process. Regional OCR Offices and Regional FSP staff must consult each other when developing review schedules and advise each other of pertinent findings that may have an impact on the responsibility of the each Office to maintain OCR and FSP oversight. CR compliance reviews may be conducted along with other program areas at the State or local level, or the reviews may be conducted separately. In accordance with 7 CFR Part 275, each State agency must conduct a CR review annually for large project areas; every 2 years for medium project areas; and every 3 years for small project areas.

D CIVIL RIGHTS ASSURANCES

1 NSLP, SBP, and SMP:

(a) To qualify for Federal financial assistance, the program application must be accompanied by a written assurance that the program or facility will be operated in compliance with the CR laws and implementing nondiscrimination regulations.

(b) The FNSRO is responsible for obtaining from each State agency a written Statement of Assurance, using Federal-State Agreement, Form FNS-74. By accepting this assurance, the program applicant agrees to compile data, maintain records, and submit reports, as required, to permit effective enforcement of the nondiscrimination laws and permit authorized USDA personnel to review such records, books, and accounts as needed to ascertain compliance with the nondiscrimination laws. If there are any violations of this assurance, FNS shall have the right to seek judicial enforcement of this assurance. This assurance is binding on the program applicant and its successors, transferees, and assignees, as long as they receive assistance or retain possession of any assistance from USDA.

(c) State agencies will incorporate the following CR assurance into all written agreements for SFAs:

The person or persons whose signatures appear below are authorized to sign this assurance on the behalf of the Program applicant."

2 CACFP and SFSP:

F DATA COLLECTION

1 NSLP, SBP, and SMP:

The collection and reporting of data on the actual number of children applying for free and reduced-price meals or free milk, by ethnic/racial group, is required by DOJ Regulations, 28 CFR Part 42, and 9 AR.

(a) The SFA or other program recipient agency will:

(1) Develop a method for data collection. Methods include determination of the information by a school official through observation, personal knowledge, or voluntary self-identification by an applicant on the free and reduced-price meal or free milk application. State agencies may also use data or information collected by other Federal and State agencies (e.g., Department of Education).

(2) Maintain information on file for 3 years.

(3) Establish procedures to ensure that the information is made available only to authorized State and Federal personnel as requested, or as part of Office of Management and Budget (OMB) approved surveys.

(b) The State agency, or FNSRO where applicable, will:

(1) Ensure that each SFA or other program recipient agency under its jurisdiction complies with the requirements set forth in the above paragraph.

(2) Review and evaluate the data during the civil rights compliance phase of the monitoring and review activities required by program regulations; and identify SFAs or other program recipient agencies that need closer review to determine their compliance with the CR laws and with the requirements of this Instruction.

2 CACFP:

The State agency must ensure that racial or ethnic beneficiary data are collected and maintained on file for 3 years for all institutions within its jurisdiction. These data must include the number of actual beneficiaries and the estimated number of potentially eligible

beneficiaries by racial or ethnic category. State agencies must use these data during routine compliance reviews to determine how effectively the program is reaching potentially eligible beneficiaries, identify areas where additional outreach is needed, and assess institution compliance.

(a) Determining the Number of Potentially Eligible Beneficiaries: The number of potentially eligible beneficiaries by racial or ethnic category for the area served by each institution is to be determined each year. Data concerning the number of potentially eligible beneficiaries, along with identification of all sources of the information, will be updated annually and maintained on file for 3 years. Sources for obtaining such data might include census data or public school enrollment data.

(b) Collecting and Maintaining Actual Beneficiary Data: Actual beneficiary data by racial or ethnic category for each child care center, outside-school-hours care center, adult day care centers, and family day care home under its jurisdiction are to be collected by the institution each year. Visual identification may be used by institutions to determine a beneficiary's racial or ethnic category or the parents/guardian of a beneficiary may be asked to identify the racial or ethnic group of the participant.

For data-collecting purposes, a beneficiary may be included in the group to which he or she appears to belong, identifies with, or is regarded in the community as belonging. Parents/guardian of beneficiaries may be asked to identify the racial or ethnic group of the participant only after it has been explained, and they understand, that the collection of this information is strictly for statistical reporting requirements and has no effect on the determination of their eligibility to receive benefits under the program. Such collection systems will ensure that:

(1) The actual beneficiary data will be maintained on file at the institution and retained for 3 years;

(2) The data will be maintained under safeguards, restricting access of records only to authorized personnel.

3 SFSP:

(a) Determining the Number of Potentially Eligible Beneficiaries: The number of potentially eligible beneficiaries by racial or ethnic category for the area served by each sponsor is to be determined each year. Data concerning the number of potentially eligible beneficiaries, along with identification of all sources of the information, are to be updated annually and maintained on file for 3 years. Sources for obtaining such data might include census data or public school enrollment data.

(b) Collecting and Maintaining Actual Beneficiary Data: Actual beneficiary data by racial or ethnic category for each site under a sponsor's jurisdiction are to be collected by the sponsor each year. Sponsors of residential camps must collect and maintain this information

separately for each session of the camp. For all other sites, the sponsor must count the participating children at least once during the site's operation. Visual identification may be used by the sponsors to determine a beneficiary's racial or ethnic category or the parents of a beneficiary may be asked to identify the racial or ethnic group of their child(ren).

(c) Once collected, actual beneficiary data shall be maintained on file by the sponsor. Data, as well as documentation for the data, shall be retained by the sponsor for the required 3 years. The data shall be maintained using safeguards that prevent its use for discriminatory purposes. Such safeguards shall include allowing access to program records containing this data only by authorized personnel.

G COMPLIANCE REVIEWS

1 NSLP, SBP, and SMP:

(a) FNSROs and State agencies are required to conduct compliance reviews, as part of the monitoring and review activities required by program regulations, to determine whether program delivery is in compliance with the requirements of 7 CFR Part 15 and this Instruction. FNSROs are responsible for ensuring Regional Office Administered Programs (ROAP) and State agency compliance; State agencies ensure compliance of SFAs and other program recipient agencies under their jurisdiction; and SFAs ensure compliance of schools in which they operate the program(s). Reviews will be conducted as part of ongoing program review procedures at each administrative level.

(b) Preaward Compliance Reviews -- State agencies or FNSROs, where applicable, are required to review applications from SFAs and other program recipient agencies to determine if the applicants are in compliance with the civil rights laws. These reviews are based on information provided by applicants in their official application for program funds. No Federal funds will be made available to a SFA or other program recipient agency until a preapproval compliance review has been conducted and the applicant determined to be in compliance. Information submitted for civil rights reviews as part of the application must include:

(1) Copies of free and reduced price policy statements, letters to parents, public releases, and any other materials used to publicize the program's availability and nondiscrimination requirements.

(2) Estimated data on the racial or ethnic makeup of the applicant organization's program service area and enrollment.

(3) A description of membership requirements as a prerequisite for admission to the applicant's institution, if applicable.

(4) The names of other Federal agencies providing assistance to the applicant organization and whether the applicant has ever been found to be in noncompliance by those Federal agencies.

2 CACFP/SFSP

Preaward Compliance Reviews -- The Regional Offices are required to perform thorough desk reviews of applications from previously unfunded State agencies to determine if the applicants are in compliance with CR provisions. Similarly, State agencies are to perform thorough desk reviews of applications from institutions. These reviews are based on information provided by applicants in their official application for program funds. No Federal funds shall be made available to a State agency or institution until a preaward compliance review has been conducted and the applicant is determined to be in compliance with nondiscrimination laws, regulations, instructions, or guidance. At a minimum, the following data will be analyzed during the preaward compliance review:

- (a) An estimate of the racial or ethnic makeup of the population to be served,
- (b) Efforts to be used to assure that underserved populations have an equal opportunity to participate,
- (c) Efforts to be used to contact grassroots organizations about the opportunity to participate, and

B DEFINITIONS

1 WIC

(b) Local Agency -- A public or private nonprofit health or human service agency that provides health services, either directly or through contract, in accordance with Section 246.5; an IHS service unit; an Indian tribe, band, or group recognized by the Department of the Interior that operates a health clinic or is provided health services by an IHS service unit; or an intertribal council or group that is an authorized representative of Indian tribes, bands, or groups recognized by the Department of the Interior, that operates a health clinic or is provided health services by an IHS service unit.

(b) Local Agency -- Any nonprofit entity or local government agency that issues FMNP coupons, and provides nutrition education and/or information on operational aspects of the FMNP to FMNP recipients.

3 WIC/FMNP Participants - Pregnant, postpartum, and breastfeeding women, infants, and children to age 5.

4 WIC/FMNP Exceptions to Nondiscrimination Policy - Section 17 of the Child Nutrition Act of 1966, as amended, defines the purpose of the WIC Program to provide benefits specifically to pregnant, breastfeeding, and postpartum women, and infants and children to 5 years of age. Therefore, any reference to age and sex in this Instruction as it relates to the WIC and FMNP is subject to these qualifications.

C WIC DATA COLLECTION, REPORTING, AND RETENTION (SECTION XI) - The FNSRO is responsible for obtaining from each State agency a written assurance of compliance, using form FNS-339, Federal-State Special Supplemental Nutrition Program Agreement, as appropriate.

D WIC DATA COLLECTION, REPORTING, AND RETENTION (SECTION XI) - Racial or ethnic participation data must be reported through the WIC Participant and Program Characteristics Minimum Data Set (MDS) and must include the number of actual participants in each participant category (women, infants, and children) by racial or ethnic category. Analyses of these data shall be used by FNS to determine how effectively the program is reaching potentially eligible persons, and to identify areas where additional outreach is needed. Similarly, State agencies and local agencies are encouraged to use such racial or ethnic data for their internal CR monitoring.

E COLLECTING, REPORTING, AND RETAINING ACTUAL PARTICIPATION DATA
The State agency must ensure the actual participation data by category of women, infants, and children and by racial and ethnic category for each local agency is collected biennially for the month of April using the WIC Participant and Program Characteristics MDS. This information must be submitted to FNS. The State agency must also ensure that documentation for the data collected by the local agency or other subrecipient is on file and maintained for the required 3 years. Data obtained shall be made available at the time of each compliance review by the State agency or FNSRO. The State agency must ensure that access to data collected is limited to authorized personnel. Participants must be asked to self-identify their racial or ethnic group, but only after it has been explained and they understand that the collection of this information is strictly for statistical reporting requirements and has no effect on the determination of their eligibility to participate in the program. If a participant refuses to self-identify his/her racial or ethnic group, visual identification by a program staff member must be used to determine the participant's racial and ethnic category. Selection of one race and one ethnic group is acceptable when local agency staff performs visual identification.

F FMNP DATA COLLECTION, REPORTING, AND RETENTION - Because racial and ethnic participation data are collected at the time women, infants, and children are certified to participate in the WIC Program, USDA has determined that the WIC data collection effort is sufficient to fulfill the racial and ethnic data collection requirement for the FMNP.
