SECTION 3 State Plan Development and Statewide Goals

3.1. CSBG Lead Agency Mission and Responsibilities:

Briefly describe the mission and responsibilities of the state agency that serves as the CSBG Lead Agency.

Hawaii OCS was established by the Legislature in Chapter 371K, Hawaii Revised Statutes. The statutory purpose is to provide an array of community-based services to enable low-income people, immigrants, and refugees to attain self-sufficiency. Hawaii OCS, administratively attached to the Department of Labor and Industrial Relations, has been designated by the Governor of the State of Hawaii as the lead agency for the administration of CSBG in the State of Hawaii. Any change in the Governor requires a new designation letter. Hawaii OCS, in conjunction with the four local eligible entities, develops a biannual CSBG State Plan to oversee and monitor the work of the eligible entities at all stages of the annual CSBG grant, and to report on the program's performance to Federal and State authorities. Hawaii OCS presents this plan to the legislature and public for hearing, then submits the State Plan to Federal OCS for acceptance and approval.

3.2. State Plan Goals:

Describe the state's CSBG-specific goals for state administration of CSBG under this State Plan.

(Note: This information is associated with State Accountability Measure 1Sa(i) and pre-populates the State's Annual Report, Module 1, Item B.1.)

Hawaii OCS's CSBG specific goals are as follows: 1. Ensure that the eligible entities administer the CSBG programs in accordance with its statutory purpose and in compliance with all Organizational Standards in IM#138, and all applicable Federal and State government rules, regulations, policies, and procedures; 2. Host work groups to share resources, strategies, and trainings among the eligible entities to strengthen relationships across Hawaii's CSBG network; and 3. Hawaii OCS, in partnership with HCAPDA, will coordinate and develop specific trainings to help promote high-performing CSBG eligible entities, and share upcoming training opportunities.

As stated in Hawaii OCS's CSBG Policies and Procedures OCS Performed Monitoring on page 8, Hawaii OCS is required to monitor each CAA on-site at least once every three years (and during the first year for a newly designated CSBG eligible entity). The purpose of monitoring is to verify compliance with applicable rules and regulations, assess the overall health of the CAA, and to identify areas where training and technical assistance may be necessary. When possible, monitoring shall coincide with a Board of Directors meeting and be completed in one business day. Monitoring shall be inclusive of administrative, programmatic, and fiscal elements. While the on-site monitoring includes the areas covered by the Organizational Standards, it goes beyond the documentation requirement with observation of how those requirements are implemented and put into practice in the CAA's every day operation. Appendix 12 is a crosswalk of the areas covered by monitoring with the related Organizational Standard(s). Prior to conducting an on-site monitoring visit, Hawaii OCS will request specific fiscal documents for fiscal staff review, and program documents to prove the eligible entity may meet Organizational Standards as well as other monitoring requirements. Hawaii OCS shall review the risk assessment, Organizational Standards met, recent Board of Directors minutes and packets, most recent audit, and program and fiscal reports to identify any areas requiring attention. With the breadth of information provided to Hawaii OCS, many areas of monitoring can be pre-assessed, saving time for both the CAA and Hawaii OCS. Hawaii OCS shall issue a monitoring report to the CAA within 60 days. The report shall indicate areas of strength and weakness based on Hawaii OCS's observations. If corrective action is required, the monitoring report shall also specify the timeline for compliance and available training and technical assistance.
