

# E-RESPONSE FACT SHEET FOR EMPLOYERS

**GET STARTED  
TODAY**

## How it works

SIDES E-Response is a website that allows employers to quickly and easily manage unemployment claims. No special software is required.

Let SIDES handle the details so you can focus on business.

## Why should employers use it?

### REDUCE PAPERWORK

Shorten staff time and lessen administrative stress.

### IMPROVE ACCURACY

Prevent overpayments and minimize potential penalties or adjustments.

### SPEED UP RESPONSE TIMES

Respond quickly to claim notices and provide all information electronically.

### SAVE MONEY

Reduce your manual data entry and printing and mailing expenses by using a secure online tool.

### To register for SIDES E-Response:

1. Go online to [huiclaims.hawaii.gov](https://huiclaims.hawaii.gov)
2. Click on 'Employer Services' and sign into your account
3. Click on 'E-Response'

SIDES E-Response is free for employers, but there may be associated system development costs.

**SIDES is secure, confidential, and includes robust security measures to protect sensitive employer data.**
