WIOA BULLETIN NO. 06-16

DATE: April 22, 2016
TO: WIOA Partners
SUBJECT: 2016 Federal Poverty Income Guidelines

Purpose

The purpose of this bulletin is to transmit the 2016 Federal Poverty Income Guidelines.

Background

The Department of Health and Human Services revises the Federal Poverty Income Guidelines annually to account for increases in the Consumer Price Index. The latest revision was published in the Federal Register on Monday, January 25, 2016.

Policy

The poverty income guidelines supersede those issued under WIA Bulletin No. 01-15. The poverty guidelines and the lower living standard income level guidelines, which will be issued in a separate WIOA Bulletin, are to be utilized in determining an applicant's low income status as defined under the WIOA Section 3(36).

Procedures

Program operations are to begin using the revised poverty income guidelines immediately.

Inquires

Questions regarding this bulletin should be addressed to Ms. Linda Sakamoto at (808) 586-9167.
