

Business Engagement in Rapid Response

Rapid Response

“Successful Rapid Response programs are flexible, agile, and focused on promptly delivering comprehensive solutions to business and workers in transition.”

Boston Rapid Response Summit 2017

Rapid Response can help the employer with:

- **Planning, analysis**
- **Understanding labor market trends**
- **Layoff aversion, succession planning**

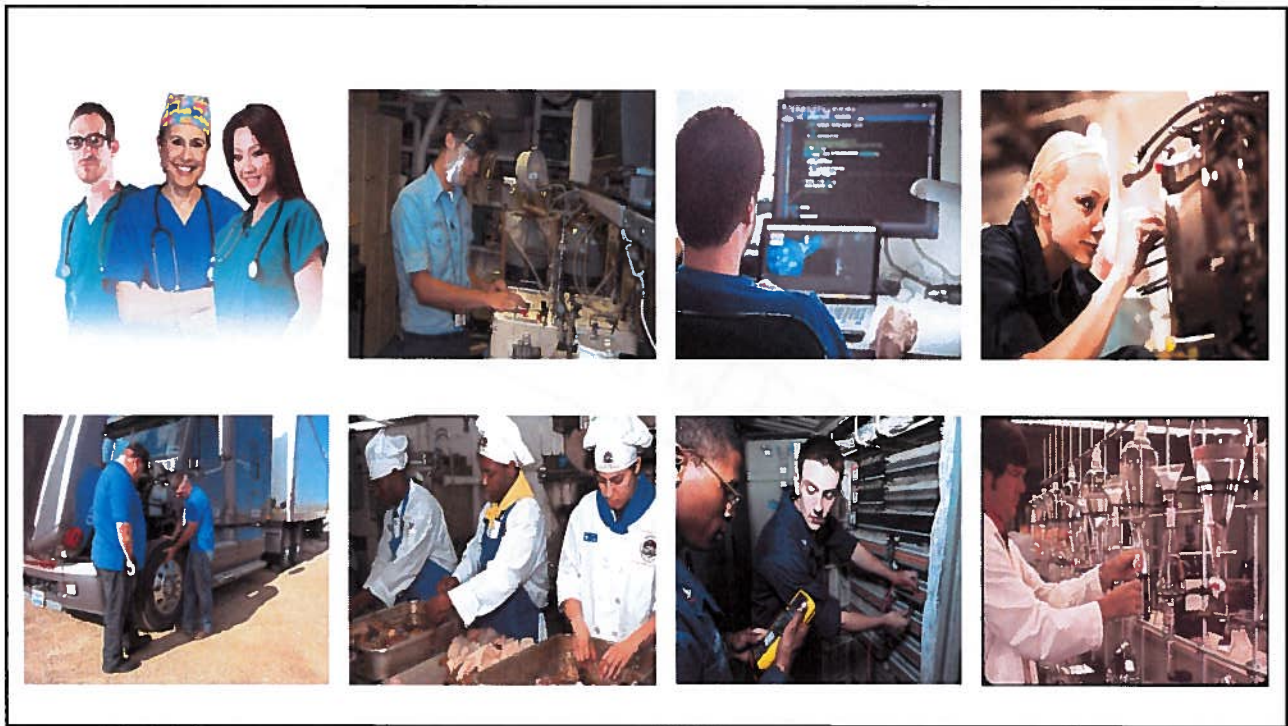

Rapid Response can help the worker with:

- **What's the next step**
- **Job placement**
- **Education**
- **Training**

Business Engagement

- **Planning, analysis**
- **Understanding labor market trends**
- **Layoff aversion, succession planning**

Rapid Response is reactive  **STRESS !!!**

Business Engagement is like preventive medicine
