

# **Proposal to the State of Hawai'i Workforce Development Council: Sector Strategies & Career Pathways Committee**

**2019 Hawai'i P-20 Pathways Summit  
(April 2-3)**

# Building Clear & Coherent Pathways

# The Opportunity

## 2019 Hawai'i P-20 Pathways Summit: *Building Connected Paths for Students*

### PATHWAYS SUMMIT AREAS OF FOCUS:

- Secondary & Post-secondary Alignment
- Career Information & Advising
- Education-Industry-Community Partnerships
- Effective Leadership & Enabling Policies

**AUDIENCE:** Secondary & Postsecondary Educators and Administrators, Complex & State Office Leadership, and Industry & Community Partners working to build or implement career pathways.

# Outcomes

## For High-Level Leaders

- Cultivate a cadre of advocates and champions for pathways work.
- Deepen leaders' knowledge and understanding of critical components in building a 6-16 (middle school through post-secondary) college and career pathways ecosystem.
- Identify strengths, opportunities, gaps, and challenges specific to Hawai'i to learn what is needed to scale a bold pathways vision. Use this learning to inform upcoming State plans.

## For Implementers

- Comprehensive professional development offered to all practitioners statewide in core strategy areas to strengthen pathway implementation.
- Collaboration amongst HIDOE, University of Hawai'i, and key industry and community partners to come together as regional teams to strengthen and integrate student programs focused on promising career pathways.
