Re: Dislocated Workers Act Notification

Dear Director Murakami,

Please be advised that not earlier than July 18, 2019, Na Kahu Malama Nurses, Inc. (NKMN) may experience a partial closing as a result of the sale of the company stock. NKMN's principal place of business is 1357 Kapiolani Boulevard, Suite 850, Honolulu, Hawaii 96814. The person to contact regarding the closing is Kathy Newkirk Leong at 808-951-0111.

The number of employees at the covered establishment is 250. Though retention of current employees remains one of the objectives of the sale, out of an abundance of caution, NKMN is providing the applicable notice under the Dislocated Workers' Act, Haw. Rev. Stat. Ceh. 394B. It is expected that if there is any layoff or termination of employees then such number would be less than 10 employees.

Please do not hesitate to contact me if you have any questions regarding the matter.

Very truly yours,

NA KAHU MALAMA NURSES, INC.
