Dear Mayor Kim and Director Murakami:

Pursuant to the Worker Adjustment and Retraining Notification Act, ((b) The “unforeseeable business circumstances” exception under section 3(b)(2)(A) of WARN applies to plant closings and mass layoffs caused by business circumstances that were not reasonably foreseeable at the time that 60-day notice would have been required) this is to inform you that Mauna Lani, Auberge Resorts Collection 68-1400 Mauna Lani Drive, Kohala Coast, Hawaii 96743 will be closing most or all of it’s facilities due to the effects of COVID-19 and will therefore layoff almost all of its employees effective March 22, 2020. This will be a temporary transaction except for approximately 13 managers for whom it will be a permanent layoff. We expect to re-open in a few months. No bumping rights exist for the non-union employees.

A listing of the job classifications affected and number of affected employees in each job classification is attached.

ILWU Local 142 represents most of the hourly employees at the facility. We are in the process of negotiating an agreement with the union regarding the effects of the temporary closure.

The address of the Employer for mailing purposes 68-1400 Mauna Lani Drive, Kohala Coast, Hawaii 96743. The name and telephone number of the contact person is; Lorna Tsuyemura at lorna.tsuyemura@aubergeresorts.com. Thank you for your attention to this matter.

Very truly yours,
