Re: Notice of Temporary Closures, Partial Closures and Furloughs

Dear Direct Murakami and Mayor Caldwell,

Due to a sudden and unforeseeable decrease in business as a result of COVID-19 pandemic and restrictions placed on restaurants by state and local government authorities (e.g., closing dining rooms, limiting service to take-out and delivery, etc.), California Pizza Kitchen ("CPK") was required to temporarily close or reduce its operations at many of its restaurant facilities in Hawaii and other states.

The speed and vast reach of the coronavirus outbreak, as well as the declaration of a state of emergency at the federal and state level, and the continued increase in various city and state mandates affecting restaurant operations was unforeseeable and caused, and will continue to cause, among other things, a drastic impact on the CPK's business and ability to continue operating at this time.

Given the extremely short notice provided by the various government authorities of the temporary reduction and shut down orders, CPK was unable to provide you and its effected employees with 60-days advance notice of temporary closures and furloughs, and is providing you with as much notice as reasonably possible.

As a consequence of the COVID-19 pandemic, CPK commenced temporary partial closures (limited to take-out or delivery services) of operations on March 18, 2020 and temporarily furloughed employees effective March 22, 2020, at the following locations:

Temporary Partial Closures and Furloughs:

Store 5, Kahala, 4211 Waialae Ave., Honolulu, HI 96816
Store 35, Pearlridge, 554 Pearlridge Center, Aiea, HI 96701

Store 136, Ala Moana, 1450 Ala Moana Bl, Sp. 3241, Honolulu, HI 96814
Store 222, Waikiki, 2284 Kalakaua Ave, Space E, Honolulu, HI 96815
Store 297, Kailua Town Center, 609 Kailua Road, Space 110/111, Kailua, HI 96734
Store 320, Kapolei, 91-5431 Kapolei Parkway, Ste 500, Kapolei, HI 96707
Store 325, Mililani, 95-1249 Meheula Parkway, Suite A-1, Mililani, HI 96789

These actions are expected to be temporary, last less than six months, and CPK intends to return the employees to work at these facilities once the restrictions are lifted on restaurant operations and business increases.

There are no bumping rights. There are no unions representing the affected employees.

Enclosed with this letter is a list of the job titles of positions that are affected, and the number of affected employees in each job classification.

This notice is being provided as a courtesy since the duration of the temporary closures and furloughs may not meet the threshold for requiring notice. As such, by providing this notice CPK is not waiving any right to assert that some or all of the separations do not require notice under federal and state law.

Very truly yours,

Stephanie Espinosa
