

DATA MANAGEMENT & TECHNOLOGY COMMITTEE UPDATE

February 19, 2020

1. Reemployment & System Integration Dislocated Worker Grant:

The Reemployment & System Integration Dislocated Worker Grant with the one-year extension expired on December 31, 2019. The grant has assisted with the development of the Hawaii Online Workforce Referral System.

2. HireNet Hawaii:

The Workforce Development Division (WDD) released an RFP for a new participant management information system since the contract with Geographic Solutions, vendor for HireNet Hawaii, expires on June 30, 2020. The RFP Review committee evaluated the submitted proposals and selected Geographic Solutions again.

3. Hawaii Online Workforce Referral System:

The Electronic Data Processing Systems Office (EDPSO), who has contributed in the development of the Hawaii Online Workforce Referral System has contracted Pacific Point to assist with the final design and developments of the Hawaii Online Workforce Referral System. Pacific Point will assist in the design and report tracking associated with the system. The estimated completion time for the system is April 2020.
