HAWAII DATA EXCHANGE PARTNERSHIP (DXP)

Partnership of State agencies that have agreed to share and use data to inform positive change and to support continuous improvement of programs and services at all levels of statewide education and workforce training.

DXP manages the Statewide Longitudinal Data System which links information on people in Hawaii from infancy, early learn, K-12, postsecondary education and into the workforce.

WDC will host a webinar on December 9 from 10am – 11am. Stay tuned for more details.
