Re: WARN Notice — Extended Furloughs

Dear Mr. Morihara and Mayor Caldwell:

This notice is an update to the WARN Notice sent to you on September 2, 2020. It is being provided because one additional employee will be impacted as a result of furlough extension until January 22, 2021; and the number of associates to be impacted on January 22, 2021 has been reduced.

These impacts remain due to the sudden, dramatic, and, unfortunately, continuing effects of the COVID-19 pandemic, MARRIOTT RESORTS HOSPITALITY CORPORATION (“the Company”) has experienced unforeseen business circumstances, including enormous and unexpected financial losses. As a result, pursuant to the Worker Adjustment and Retraining Notification Act (“WARN”), we are writing to notify you that the Company will be extending the current furlough status of a number of its employees employed at its facility located at 92-161 Waipahe Place, Kapolei, Oahu, Hawaii, 96707 for beyond six months.

The Company will formally extend the furlough status of this additional employee on September 25, 2020, while all other affected employees were extended on September 2, 2020. At this time, we anticipate that 248 employees will be affected by this furlough extension. At this time, we anticipate the extended furlough will last until January 22, 2021. If an employee not been recalled by this date, he or she will be considered to have been permanently laid off. A list of the job titles of positions to be affected and the number of affected employees in each job classification is attached hereto (newly impacted are highlighted). No bumping rights exist, and no employees are represented by a union.

The vast reach of the coronavirus outbreak, including the travel restrictions imposed by the State of Hawaii beginning with the March 23, 2020 Stay at Home Order and the April 1, 2020 Interisland Travel Restrictions, as well as the August 29, 2020 announcement that travel restrictions will remain in effect through September 30, 2020 and the September 16, 2020 announcement that Pre-Travel Testing Options will begin October 15, 2020, was unforeseeable and caused, and will continue to cause, among other things, a drastic impact on our business. After reviewing our staffing and business needs, we are providing this notice to you at the earliest possible time.
