Room 321

Dear Mayor Victorino and Director Perreira-Eustaquio:

This letter is an update to our October 1, 2020 letter, in which we noted that we had hoped to bring furloughed employees back to work on or around October 15, 2020. As of today, we have brought the majority of our employees back to work. However, approximately 43 employees remain furloughed and we anticipate they will remain furloughed until at least January 29, 2021. While we hope to bring furloughed employees back to work, conditions relating to the COVID-19 pandemic are constantly and rapidly changing and we are unable to predict with certainty at this time if and when that will occur.

Please contact Naite Saia, (808) 662-6565, One Bay Drive, Lahaina, Hawaii 96761, if you have any questions.

Sincerely,

A handwritten signature in blue ink, appearing to read "Matt Bailey". The signature is written in a cursive style and is positioned above a horizontal line.

Matt Bailey
