Re: Montage Kapalua Bay

Dear Mayor Victorino and Director Perreira-Eustaquio:

This letter is an update to our letter dated November 30, 2020, in which we noted that we had brought the majority of employees back to work, but 34 employees were anticipated to remain furloughed until at least January 29, 2021. While we had hoped to bring all remaining employees back to work by that date, due to ongoing conditions relating to the COVID-19 pandemic, 30 employees will remain furloughed until at least March 27, 2021. While we continue to remain optimistic that we will bring all furloughed employees back to work, we are unable to predict with certainty at this time if and when that will occur.

Please contact me at (808) 662-6565, One Bay Drive, Lahaina, Hawaii 96761, if you have any questions.

Sincerely,

Naite Saia
Director of Human Resources
