

## Data Management & Technology Committee Update for WDC Board Meeting

June 23, 2021

### *Eligible Training Provider Module*

The uploading of Eligible Training Provider (ETP) information into HireNet Hawaii has been completed. Staff, job seekers and employers are now able to view the complete ETP list on HireNet Hawaii. The ETP list can be found under the Education Services section in HireNet Hawaii.

### *Pathways to Employment Webinar Series*

Geographic Solutions is hosting a new *Pathways to Employment* webinar series for staff, highlighting how clients are using the Geographic Solutions system in unique and inspiring ways to assist job-ready individuals secure employment.

Pathways to Employment Webinar Series topics include:

- How North Carolina Department of Commerce teams implemented many of Geographic Solutions' staff efficiency and no-touch service delivery tools prior to and during the onset of the coronavirus pandemic
- How the New Mexico Department of Workforce Solutions' developed their own Career Solutions Portal for virtual career planning
- Ways to bounce back and thrive after major challenges, and how to cope with stress in positive ways

To register or view past Pathways to Employment webinar episodes, visit Geographic Solutions website at: [www.geographicsolutions.com](http://www.geographicsolutions.com). Registration and past episodes can be found under the Resources tab.
