Re: Resort Management Group LLC  
Hawaii Dislocated Workers Act Notification pursuant to HRS §394B-9

Dear Ms. Perreira-Eustaquio:

This is to inform you that on or after June 23, 2022, there will be a "closing" under Hawaii Revised Statutes Chapter 394B in connection with a sale of a select portion of its landscape construction business and related assets of Resort Management Group LLC ("RMG") to Sperber Landscape Companies, Hawaii, LLC ("SLC").

At the closing of the sale, RMG will terminate the employment of 31 gardening staff and administrative employees (collectively, "Gardening Employees"), and SLC will offer to hire substantially all of those employees.

Because RMG will terminate the employment of its Gardening Employees at the closing of the sale, RMG is providing all of those employees not less than 60 days' written notification of the estimated termination date, and informing them of their potential right to a dislocated worker allowance under the Hawaii Dislocated Workers' Act.

The Company's corporate offices are located at 1130 North Nimitz Hwy #A-204, Honolulu, HI 96817. The total number of employees currently employed by the Company is 63. If you have any questions or require any additional information, please contact Reed Kishinami at 808-478-4471.

Thank you for your attention to this matter.

Very truly yours,

Resort Management Group LLC
