Re: SAS Airport Services Hawaii, Inc.
Hawaii Dislocated Workers Act Notification pursuant to HRS §394B-9

Dear Ms. Perreira-Eustaquio:

This is to inform you that on or after October 31, 2022, there will be a "closing" under Hawaii Revised Statutes Chapter 394B in connection with a sale of the aviation services business and related assets of SAS Airport Services Hawaii, Inc. ("SAS") to G2 Secure Staff, L.L.C. ("Buyer"). Under the terms of the sale, all employees of SAS (other than the owners) will continue to be employed by SAS until at least October 31, 2022, to allow for the smooth transition of the business to Buyer (the "Transition Period"). The Transition Period may be extended by mutual agreement between SAS and Buyer.

At the end of the Transition Period, SAS will terminate the employment of its employees, and Buyer will offer employment to all of the non-management employees of SAS, with wages, salary and benefits, taken as a whole, that are no less favorable in the aggregate than the wages, salary and benefits currently provided by SAS. Accordingly, SAS does not anticipate any loss of employment will result from the transaction.

Because its employees' employment with SAS will terminate at the end of the Transition Period, SAS is providing all of its employees with written notification of the estimated termination date, and informing them of their potential right to a dislocated worker allowance under the Hawaii Dislocated Workers' Act.

The Company's corporate offices are located at 8939 S Sepulveda Blvd., Ste 506, Los Angeles, CA, 90045. The total number of employees currently employed by the Company is approximately 550. If you have any questions or require any additional information, please contact Yana Walker at 310-337-2991 and y.walker@sas-serv.com.

Thank you for your attention to this matter.

Very truly yours,

SAS Airport Services Hawaii, Inc.
