To whom it may concern:

The undersigned is the owner of Niko's Yard and Hauling Service, LLC. I have a yard service business and a hauling service business. I sold the yard service portion of my business and retained the hauling service portion.

My yard service business was located at 2312-A Kalihi Street, Honolulu, HI 96819. The last day of service of my four employees was on March 31, 2023. One was the driver of the crew, the two worked together with the driver for the yard service and maintenance of the different job sites in Oahu and one clerical office employee. Three of them were employed immediately to companies doing yard service and maintenance in the island of Oahu after their last day with me. My clerical employee decided to retire.

Although my clerical office employee decided to retire, she is helping me for the hauling portion of my business. [REDACTED] Her name is Epifania Salvador and you can contact her at 808-842-1448 [REDACTED] should you need more information.

Sincerely,

Renato Salvador
