Re: Orthopedic Associates of Hawaii, LLP  
Hawaii Dislocated Workers Act Notification pursuant to HRS §394B-9

Dear Ms. Perreira-Eustaquio:

This is to inform you that on or after July 18, 2023, there will be a "closing" under Hawaii Revised Statutes Chapter 394B in connection with a sale of the business and related assets of Orthopedic Associates of Hawaii, LLP ("Seller") to The Queen's Medical Center ("Buyer"). Seller is deemed to be the "employer" as defined in Hawaii Revised Statutes, Section 394B-2. The total number of employees currently employed by Seller is 52.

At the closing of the sale, Seller will terminate the employment of all of its employees (the "Employees"). Buyer has advised that it intends to extend offers of employment to all or substantially all of the Employees who satisfy the employment requirements of Buyer.

Because Seller will terminate the employment of the Employees at the closing of the sale, Seller is providing the Employees with not less than 60 days' written notification of the estimated date of the closing, and informing them of their potential right to a dislocated worker allowance under the Hawaii Dislocated Workers' Act.

The corporate office of Seller is located at 1401 South Beretania Street, Suite 750, Honolulu, Hawaii 96814.

If you have any questions or require any additional information, please contact Dr. Jay Marumoto at (808) 779-9494.

Very truly yours,

ORTHOPEDIC ASSOCIATES OF HAWAII, LLP
