HI CAN Partnership

The State of Hawai'i has partnered with RIPL to develop HI CAN which uses data, science, and technology to help the state connect Hawai'i jobseekers to in-demand skills and careers and other supportive services they may need while exploring new career opportunities.

State of Hawai'i

- **Department of Labor and Industrial Relations**
 - Workforce Development Division
 - Unemployment Insurance Division
- **Department of Human Services (DHS)**
 - Benefit, Employment, & Support Services Division
 - Med-QUEST Division

Research Improving People's Lives (RIPL)

Tech-for-Social-Impact Non-profit

What is HI CAN?

- HI CAN provides a user-friendly interface for jobseekers to navigate their employment transition into lasting careers by providing personalized, data-driven recommendations based on each jobseeker's background in a centralized web platform.
- HI CAN highlights career pathways for jobseekers that are highly likely to:
 - ✓ Boost their earnings
 - ✓ Leverage their existing skills
 - ✓ Identify in-demand careers with openings in the current market.
- HI CAN also supports UI Work Search Functionality and Referral to Benefits and other supportive services that jobseekers may need while exploring new career opportunities.
