

Now Recruiting!

Secure Your Future

Apply today for our
Registered Pharmacy
Technician Apprenticeship

About Our Program

The Pharmacy Technician Apprenticeship Program is a paid, one year program that teaches apprentices customer service skills, the business of pharmacy, patient safety, pharmacy workflow and inventory. Our program meets the requirements as an accredited pharmacy training program for licensure. Upon completion, apprentices earn the U.S. Department of Labor (DOL) credentials. Apprentices will be hired by CVS Health® while completing the Pharmacy Technician program.

To Apply:

Step 1:

Complete our pre-screening questionnaire
@ <http://cvshealth.links/RPTScreen>
or scan QR code

Step 2:

Attend one virtual information session

February 21, 2022
