Dear WARN Act Coordinator,

This letter is notice that Hyatt Centric Waikiki Beach Rack (47) located at 2255 Kuhio Blvd Honolulu, HI 96815 will be permanently closing.

The store's closure is expected to occur on July 27th 2026. It will be permanent and will include the entire store. Certain employees will be offered the opportunity to transfer to other Nordstrom locations. We have not yet determined who will be offered these opportunities. For those employees who either are not offered the ability to transfer or who do not accept the transfer offer, their expected separation date from employment with Nordstrom will be July 27th 2026, or within the two-week period following that date. Employees will continue on payroll, with their regular wages and benefits, through their separation date from Nordstrom.

There are 34 employees affected by this closure and could separate from Nordstrom if they do not accept continued employment with Nordstrom. Enclosed is a list of the job titles of positions affected and the number of affected employees in each job title. No employees at this location are represented by a union. No bumping rights exist.

We also have given or are giving appropriate notice to the affected employees. Employee's may be eligible for Unemployment Insurance (UI). More information on UI and other resources available for workers is available at <https://labor.hawaii.gov/ui/>

If you have questions or would like more information, please contact me at mikayla.lewis@nordstrom.com

Sincerely,
